PART I—GENERAL HIGHER EDUCATION PROGRAMS

Higher Education Act of 1965

(P.L. 89-329)

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Higher Education Act of 1965".

TITLE I—CONTINUING POSTSECONDARY EDUCATION PROGRAM AND PLANNING

PART A—Commission on National Development in Postsecondary Education

FINDINGS.

SEC. 101. The Congress finds—

(1) that institutions of higher education in our Nation and their human and intellectual resources are critical to the future of the American society, and that the Nation's economic potential, its strength and freedom, and the quality of life for all citizens are tied to the quality and extent of higher education available;

(2) that it is the responsibility of the Federal Government, consistent with the rights, duties, and privileges of States and

institutions of higher education, to promote—

(A) equality of access to postsecondary education, without regard to age, race, sex, creed, handicap, national origin, geographic location, or economic status;

(B) freedom of choice to students who wish to participate in postsecondary education, to select institutions and pro-

grams which meet their needs and abilities;

. (C) quality of postsecondary education, including the maintenance and extension of academic freedom, responsibility, and educational diversity;

(D) responsiveness of postsecondary education to rapidly

changing social and economic needs; and

(E) the efficient use of resources in postsecondary education, and the optimal allocation of human, physical and fixnancial resources, through efficient planning and management to achieve these goals; and

(3) that demographic, economic, and social changes will require institutions of postsecondary education to adapt to the

future needs of individuals and of American society.

ESTABLISHMENT OF THE COMMISSION ON NATIONAL DEVELOPMENT IN POSTSECONDARY EDUCATION

SEC. 102. (a) There is established a Commission to be known as the Commission on National Development in Postsecondary Education to review the effectiveness of policies to promote the Federal responsibilities set forth in clauses (A) through (E) of section 101(2).

(b) The Commission shall be composed of twenty-five members as

(c)(1) Of each class specified in subsection (b) not more than four members shall be from the same political party, except in the case of the members appointed under clause (1), in which case not more than five members shall be from the same political party. The members of the Commission appointed from private life shall be individuals who by reason of experience or training are especially qualified to serve on the Commission.

(2) In making appointments under subsection (b) of this section the President, the President pro tempore, and the Speaker of the House of Representatives shall give due consideration to the appointment of individuals who, collectively, will provide appropriate representation of institutions of higher education, State agencies responsible for postsecondary education, labor, the business com-

munity, and public service.

(d) Any vacancy in the Commission shall not affect its powers but shall be filled in the same manner in which the original appointment was made.

(e) The Commission shall select a Chairman and a Vice Chair-

man from among its members.

(f) Thirteen members of the Commission shall constitute a quorum for the transaction of business, but the Commission may establish a lesser number as a quorum for the purpose of holding hearings, taking testimony, and receiving evidence.

(20 U.S.C. 1002) Enacted Nov. 8, 1965, P.L. 89–329, sec. 102, 79 Stat. 1219; amended October 12, 1976, P.L. 94–482, sec. 101(bX1XA), (bX1XB), (bX1XC), sec. 101(gX2), 90 Stat. 2083, 2086; amended October 3, 1980, P.L. 96–374, sec. 101(a), 94 Stat. 1374.

DUTIES OF THE COMMISSION

Sec. 103. (a) The Commission shall study and investigate the extent to which national policies promote the objectives set forth in clauses (A) through (E) of section 101(2). Such study shall include, but not be limited to, consideration of—

(1) the extent to which postsecondary educational planning by States and localities and institutions of higher education is designed to identify the future needs of education in American

society:

(2) the effectiveness of Federal financial assistance to students and institutions of higher education in promoting national development of postsecondary education in the most effi-

cient manner;

(3) the physical and financial capacity of institutions of higher education to carry out their mission, including the conduct of basic and applied research in the humanities and scientific and technical fields, and the relationship between institutions of higher education, public agencies, and the private sector in developing the capacity of higher education to promote such research;

(4) the human and technical resources currently and prospectively available to institutions of higher education to enable them to address and respond to national and worldwide social

and economic forces;

(5) the effect of demographic changes on institutions of higher education and their constituent disciplines and professions and the ability of such institutions to meet national needs; and

(6) the extent to which Federal student assistance may be used to promote the recruiting of individuals to serve in the Armed Forces and to retain members of the Armed Forces.

(b)(1) In addition, the Commission shall conduct a study of the remaining barriers to adult postsecondary education which analyzes the characteristics of current or potential adult postsecondary students, the Federal response to the needs of adult postsecondary students, and the ability of educational institutions to respond to the growing postsecondary student population. For the purpose of the study conducted under this subsection, the term "adult postsecondary student" means individuals twenty-two years of age or older.

(2) In analyzing the characteristics of current or potential adult postsecondary students and the Federal response to their needs,

the Commission shall—

(A) review the extent to which such students are motivated by employment goals, and whether these students seek further education in order to enter the labor force or reenter after an extended absence, advance in a current career, or move from one career to another:

(B) analyze the relationship between different employment motivations and sources of financial assistance for education, choice of institution or patterns of participation in postsecond-

ary education;

(C) evaluate the extent to which the unavailability or inaccessibility of financial aid sources may prevent educational participation by economically or socially disadvantaged adults,

or otherwise limit their choice of educational focus or intensity

of study; and

(D) evaluate the extent to which age represents a barrier to participation in postsecondary education and the potential for greater participation in postsecondary education by individuals age 60 and older.

(3) In analyzing the ability of postsecondary institutions to respond to the potential adult postsecondary student population, the

Commission shall, at a mimimum—1

(A) review the availability of outreach, information, counseling, or supportive service programs, with particular attention to programs serving adults such as homemakers or retirees who are least likely to have access to normal sources of educational information: and

(B) review the availability of alternative methods of evaluating past education credits and experience to promote adult participation in postsecondary education, and the availability of

remedial courses for adult students.

(4) The Commission shall coordinate the study conducted under. this subsection with the research and demonstration priorities of. the National Institute of Education, and such other studies on stu-

dent financial assistance as are authorized by this Act.

(c) The Commission shall submit to the President and to the Congress such interim reports as it deems advisable and, not later than December 31, 1983, a final report of its study and investigation together with such recommendations, including recommendations for legislation, as the Commission deems advisable.

(d) The Commission shall cease to exist 60 days after the submis-

sion of its final report.

PART B-Education Outreach Programs

FINDINGS

SEC. 111. The Congress finds that—

(1) the rapid pace of social, economic, and technological change has created pressing needs for postsecondary educational opportunities for adults in all stages of life;

(2) postsecondary educational opportunities in the United States are traditionally provided for individuals between the

ages of eighteen and twenty-two;

(3) many adults are barred from advancement or self-sufficiency by lack of access to, and lack of retention in, postsecondary educational opportunities appropriate to their needs, or by lack of information or support services concerning the availability of postsecondary educational opportunities;

(4) access to postsecondary educational opportunities is severely limited for adults whose educational needs have been inadequately served during youth, or whose age, sex, race, handi-

cap, national origin, rural isolation, or economic circumstance may be a barrier to such opportunities;

(5) with declining population growth rates, the future of postsecondary education in the United States is largely dependent upon its ability to respond to the challenges of new student populations:

(6) service in continuing education will be better achieved through increased emphasis on planning and coordination which more effectively utilizes existing resources of both public

and private sectors; and

(7) to meet the unique problems and needs of adults who are disadvantaged in seeking access to postsecondary educational opportunities, resources must be marshalled from a wide range of institutions and groups, including community colleges, community-based educational institutions, business, industry, labor, and other public and private organizations and institutions.

(20 U.S.C. 1011) Enacted October 12, 1976, P.L. 94-482, sec. 101(e), 90 Stat. 2085; amended October 8, 1980, P.L. 96-374, sec. 101(a), 94 Stat. 1377.

STATE ALLOTMENTS

SEC. 112. (a)(1) From 90 per centum of the funds appropriated for

this part for each fiscal year, the Secretary shall-

(A) affect to each State having an agreement under section 1203 of this Act an amount which bears the same ratio to 60 per centum of such amount as the adult population of that State bears to the adult population of all States, and

(B) allot 40 per centum of such amount to all States having

an agreement under section 1203 on an equal basis,

except that no State shall receive less than \$187,500 in any such fiscal year. If 90 per centum of the sums appropriated for any fiscal year are insufficient to pay the allotment specified in clauses (A) and (B) of the previous sentence and the exception contained in the previous sentence, the amount of each State's allotment under such clauses (A) and (B) (but not the amount in the exception) shall be ratably reduced. If 90 per centum of the sums appropriated for any fiscal year are insufficient after the application of the previous sentence, the amount of each State's allotment shall be equal. In case additional funds become available in making such payments in any fiscal year during which the second and third sentence of this paragraph are applicable, such reduced amounts shall be increased on the same basis as they were reduced.

(2) Ten per centum of the funds appropriated for this part shall

be available for carrying out section 116.

(b) If, in any fiscal year, a State does not wish to conduct comprehensive planning pursuant to section 113, the Secretary shall allot to such State an amount equal to the amount the State would otherwise receive for the conduct of programs of continuing education and information services under this part. The Secretary shall reallot the funds that would have been used by such State for the conduct of statewide planning under section 113 to all other States having agreements under section 1203. Such reallotments shall be made in proportion to their allotments pursuant to subsection (a).

(20 U.S.C. 1012) Enacted Nov. 8, 1965, P.L. 89-329, sec. 109, 79 Stat. 1223; subsections (d), and (e) repealed April 13, 1970, P.L. 91-320, sec. 401(h) and superseded by Part C of Title IV of P.L. 90-247 as amended; renumbered June 23, 1972, P.L. 92-318, sec. 102(a)(1), 86 Stat. 236; renumbered, May 3, 1973, P.L. 93-29, sec. 803, 87 Stat. 54; amended August 21, 1974, P.L. 93-380, sec. 831, 88 Stat. 603; renumbered and amended October 12, 1976, P.L. 94-482, sec. 101(e), sec. 101(f)(1)(A) and (f)(1)(B), sec. 1019(g)(2), 90 Stat. 2085, 2086; amended October 3, 1980, P.L. 96-374, sec. 101(a), 94 Stat. 1377.

COMPREHENSIVE STATEWIDE PLANNING

SEC. 113. (a)(1) Subject to paragraphs (2) and (3), each State with an agreement pursuant to section 1203 of this Act shall use at least 15 per centum but not to exceed 20 per centum of its allotment for the purpose of conducting comprehensive statewide planning for improving access and retention within the State to postsecondary educational programs for traditional and nontraditional learners, coordinating educational and occupational information and counseling services to youth and adults throughout the State, and promoting more effective and efficient use of available resources for continuing education within the State.

- (2)(A) An institution shall invest the endowment fund corpus and endowment fund income in low-risk securities in which a regulated insurance company may invest under the law of the State in which the institution is located such as a federally insured bank savings account or comparable interest bearing account, certificate of deposit, money market fund, mutual fund, or obligations of the United States.
- (B) The institution, in investing the endowment fund established under this section, shall exercise the judgment and care, under the circumstances then prevailing, which a person of prudence, discretion, and intelligence would exercise in the management of his own affairs.
- (3)(A) An institution may withdraw and expend the endowment fund income to defray any expenses necessary to the operation of such college, including expenses of operations and maintenance, administration, academic and support personnel, construction and renovation, community and student services programs, and technical assistance.

(B)(i) Except as provided in clause (ii), an institution may not spend more than 50 per centum of the total aggregate endowment

fund income earned prior to the time of expenditure.

(ii) The Secretary may permit an institution to spend more than 50 per centum of the endowment fund income notwithstanding clause (i) if the institution demonstrates such an expenditure is necessary because of (I) a financial emergency, such as a pending insolvency or temporary liquidity problem; (II) a life-threatening situation occasioned by a natural disaster or arson; or (III) another unusual occurrence or exigent circumstance.

(d)(1) If at any time an institution withdraws part of the endowment fund corpus, it shall repay to the Secretary an amount equal to 50 per centum of the withdrawn amount, which represents the Federal share, plus income earned thereon. The Secretary may use such repaid funds to make additional endowment grants, or to increase existing endowment grants, to other eligible institutions.

- (2) If an institution expends more of the endowment fund income than is permitted under subsection (c), the grantee shall repay the Secretary an amount equal to 50 per centum of the amount improperly expended (representing the Federal share thereof). The Secretary may use such repaid fund to make additional endowment grants, or to increase existing endowment grants, to other eligible institutions.
- (e) An institution receiving a grant under this section shall provide to the Secretary (or his designee) such information (or access thereto) as may be necessary to audit or examine expenditures

made from the endowment fund corpus or income in order to determine compliance with this section.

(f) In selecting eligible institutions for grants under this section

for any fiscal year, the Secretary shall-

(1) give priority to an applicant which is a recipient of a grant made under part A or B of this title during the academic year in which the applicant is applying for a grant under this section; and

(2) give priority to an applicant with a greater need for such a grant, based on the current market value of the applicant's existing endowment in relation to the number of full-time

equivalent students enrolled at such institution;

(3) consider—

(A) the effort made by the applicant to build or maintain its existing endowment fund; and

(B) the degree to which an applicant proposes to match

the grant with nongovernmental funds.

(g) Any institution which is eligible for assistance under this section may submit to the Secretary a grant application at such time, in such form, and containing such information as the Secretary may prescribe. Subject to the availability of appropriations to carry out this section and consistent with the requirement of subsection (f), the Secretary may approve an application for a grant if an institution, in its application, provides adequate assurances that it will comply with the requirements of this section.

(h)(1) After notice and an opportunity for a hearing, the Secretary may terminate and receiver a grant awarded under this sec-

tion if the grantee institution-

(A) expends portions of the endowment fund corpus or expends more than the permissible amount of the endowment funds income as prescribed in subsection (c)(3);

(B) fails to invest the endowment fund in accordance with

the investment standards set forth in subsection (c)(2); or

(C) fails to properly account to the Secretary concerning the

investment and expenditures of the endowment funds.

(2) If the Secretary terminates a grant under paragraph (1), the grantee shall return to the Secretary an amount equal to the sum of the original grant or grants under this section plus income earned thereon. The Secretary may use such repaid funds to make additional endowment grants, or to increase existing endowment grants, to other eligible institutions.

(2) set forth policies and procedures to ensure that Federal funds made available under this title for any fiscal year will be used to supplement and, to the extent practical, increase the funds that would otherwise be made available for the purposes of section 311(b) or 321(b), and in no case supplant those funds;

. (3) set forth policies and procedures for evaluating the effectiveness in accomplishing the purpose of the activities for

WAIVER AUTHORITY AND REPORTING REQUIREMENT

SEC. 342. (a)(1) The Secretary may waive the requirements set forth in section 312(2)(A)(ii) or section 322(a)(2)(A)(ii) if the Secretary determines, based on persuasive evidence submitted by the institution, that the institution's failure to meet that criterion is due to factors which, when used in the determination of compliance with such criterion, distort such determination, and that the institution's designation as an eligible institution under part A or as an institution with special needs under part B (as the case may be) is otherwise consistent with the purposes of such parts.

(2) The Secretary shall submit to the Congress each year a report concerning the institutions which, although not satisfying the criterion contained in section 312(2)(A)(ii) or section 322(a)(2)(A)(ii), have been determined to be eligible institutions under part A or institutions with special needs under part B, as the case may be. Such

report shall-

(A) identify the factors referred to in paragraph (1) which were considered by the Secretary as factors that distorted the determination of compliance with section 312(2)(A)(ii) or section

322(a)(2)(A)(ii), as the case may be; and

(B) contain a list of each institution determined to be an eligible institution under part A or as an institution with special needs under part B and include a statement of the reasons for each such determination.

(b) The Secretary may waive the requirement set forth in sec-

tions 312(2)(v) and 322(a)(2)(v) in the case of an institution-

(1) located on or near an Indian reservation or a substantial population of Indians, if the Secretary determines that the waiver will substantially increase higher education opportunities appropriate to the needs of American Indians;

(2) wherever located, if the Secretary determines that the waiver will substantially increase higher education opportuni-

ties appropriate to the needs of Spanish-speaking people;

(3) wherever located, if the Secretary determines that the waiver will substantially increase higher education opportunities appropriate to the needs of individuals living in rural

areas, whose needs are for the most part unserved by other postsecondary education institutions;

(4) wherever located, if the Secretary determines that the waiver will substantially increase higher education opportunities appropriate to the needs of low-income individuals; or

(5) wherever located, if the Secretary determines that the institution has traditionally served substantial numbers of black students.

(20 U.S.C. 1067) Enacted October 3, 1980, P.L. 96-374, sec. 301, 94 Stat. 1398.

SEC. 343. (a)(1) All applications submitted under this title by institutions of higher education shall be read by a panel of readers composed of individuals selected by the Secretary. The Secretary shall insure that no individual assigned under this section to review any application has any conflict of interest with regard to the application which might impair the impaltiality with which the individual conducts the review under this section.

(2) All readers selected by the Secretary shall receive thorough instruction from the Secretary regarding the evaluation process for applications submitted under this title and consistent with the pro-

visions of this title, including—

(B) an enumeration of the factors to be used to determine the

quality of applications submitted under this title; and

(C) an enumeration of the factors to be used to determine whether a grant should be awarded for a project under this title, the amount of any such grant, and the duration of any such grant.

(b) In awarding grants under this title, the Secretary shall take into consideration the recommendations of the panel made under

subsection (a).

- (c) Not later than June 30 of each year, the Secretary shall notify each institution of higher education making an application under this title of—
 - (1) the scores given the applicant by the panel pursuant to this section,

(2) the recommendations of the panel with respect to such

application, and

(3) the reasons for the decision of the Secretary in awarding or refusing to award a grant under this title, and any modifications, if any, in the recommendations of the panel made by the Secretary.

(20 U.S.C. 1008) Enacted October 3, 1980, P.L. 96-374, sec. 301, 94 Stat. 1398.

SEC. 344. (a) The Secretary may make grants to encourage cooperative arrangements—

(1) with funds available to carry out part A, between institutions eligible for assistance under part A; or

(2) with funds available to carry out part B, between institu-

tions eligible for assistance under part B; for the activities described in section 311(b) or section 321(b), as the case may be, so that the resources of the cooperating institutions might be combined and shared to achieve the purposes of such parts and avoid costly duplicative efforts.

(b) The Secretary shall give priority to grants for the purposes described under subsection (a) whenever the Secretary determines that the cooperative arrangement is geographically and economi-

cally sound.

(c) Grants to institutions having a cooperative arrangement may be made under this section for a period as determined under section 313 of 323, as the case may be.

with subsection (b).

(b(1) Subject to, and in accordance with, regulations promulgated for the purpose of this section, in the case of any application by an institution referred to in subsection (a) for assistance under any programs specified in paragraph (2), the Secretary is authorized, if such application is otherwise approvable, to waive any requirement for a non-Federal share of the cost of the program or project, or, to the extent not inconsistent with other law, to give, or require to be given, priority consideration of the application in relation to applications from other institutions.

(2) The provisions of this section shall apply to any program au-

thorized by title II, IV, VII, or VIII of this Act.

(c) The Secretary shall not waive, under subsection (b), the non-Federal share requirement for any program for applications which, if approved, would require the expenditure of more than 10 per centum of the appropriations for the program for, any fiscal year.

SUBPART 1—BASIC EDUCATIONAL OPPORTUNITY GRANTS 1

BASIC EDUCATIONAL OPPORTUNITY GRANTS: AMOUNT AND DETERMINATIONS; APPLICATIONS

SEC. 411. (a)(1)(A) The Secretary shall, during the period beginning July 1, 1972, and ending September 30, 1985, pay to each eligible student (defined in accordance with section 484) for each academic year during which that student is in attendance at an institution of higher education, as an undergraduate, a basic grant in the amount for which that student is eligible, as determined pursu-

ant to paragraph (2).

(B) The purpose of this subpart is to provide a basic grant that (i) as determined under paragraph (2), will meet in academic year 1985-1986, 70 per centum of a student's cost of attendance not in excess of \$3,700; and (ii) in combination with reasonable parental or independent student contribution and supplemented by the programs authorized under subparts 2 and 3 of this part, will meet 75 per centum of a student's cost of attendance, unless the institution determines that a greater amount of assistance would better serve the purposes of section 401.

(C) Basic grants made under this subpart shall be known as "Pell

Granta"

(2)(A)(i) The amount of the basic grant for a student eligible under this part shall be—

(I) \$1,900 for academic year 1981–1982, (II) \$2,100 for academic year 1982–1983,

(III) \$2,300 for academic year 1983–1984,

(IV) \$2,500 for academic year 1984-1985, and

(V) \$2,600 for academic year 1985-1986,

less an amount equal to the amount determined under section 482 to be the expected family contribution with respect to that student

for that year.

(ii) In any case where a student attends an institution of higher education on less than a full-time basis during any academic year, the amount of the basic grant to which that student is entitled shall be reduced in proportion to the degree to which that student is not so attending on a full-time basis, in accordance with a schedule of reductions established by the Secretary for the purposes of this division. Such schedule of reductions shall be established by regulation and published in the Federal Register not later than January 1, 1981, October 1, 1981, and on October 1 of each succeeding year.

(B)(i) The amount of a basic grant to which a student is entitled

under this subpart for any academic year shall not exceed—

(I) 50 per centum of the cost of attendance (as defined under section 482(d)) at the institution at which the student is in attendance for that year, when the maximum grant is less than or equal to \$1,900;

(II) 55 per centum of such cost of attendance when the maximum basic grant is more than \$1,900 but is less than \$2,100;

¹ For special provisions concerning academic years beginning with 1983-1984, see the Student Financial Assistance Technical Amendments Act of 1982 printed at the end of title IV of this Act.

45

(III) 60 per centum of such cost of attendance when the maximum basic grant is at least \$2,100 but is less than \$2,300;

(IV) 65 per centum of such cost of attendance when the maximum basic grant is at least \$2,300 but is less than \$2,600; and

(V) 70 per centum of such cost of attendance when the maxi-

mum basic grant is \$2,600.

(ii) No basic grant under this subpart shall exceed the difference between the expected family contribution for a student and the cost of attendance at the institution at which that student is in attendance. If with respect to any student, it is determined that the amount of a basic grant plus the amount of the expected family contribution for that student exceeds the cost of attendance for that year, the amount of the basic grant shall be reduced until the combination of expected family contribution and the amount of the basic grant does not exceed the cost of attendance at such institution.

(iii) No basic grant shall be awarded to a student under this subpart if the amount of that grant for that student as determined under this paragraph for any academic year is less than \$200. Pursuant to criteria established by the Secretary by regulation, the institution of higher education at which a student is in attendance may award a basic grant of less than \$200 upon a determination that the amount of the basic grant for that student is less then \$200 because of the requirement of division (i) and that, due to exceptional circumstances, this reduced grant should be made in order to enable the student to benefit from postsecondary education.

(3) The period during which a student may receive basic grants shall be the period required for the completion of the first undergraduate baccalaureate course of study being pursued by that student at the institution at which the student is in attendance. Nothing in this section shall exclude from eligibility courses of study which are noncredit or remedial in nature which are determined by the institution as necessary to help the student be prepared for the pursuit of a first undergraduate baccalaureate

(b)(1) The Secretary shall from time to time set dates by which students must file applications for basic grants under this subpart.

(2) Each student desiring a basic grant for any year must file an application therefor containing such information and assurances as the Secretary may deem necessary to enable him to carry out his functions and responsibilities under this subpart.

(3)(A) Payments under this section shall be made in accordance with regulations promulgated by the Secretary for such purpose, in such manner as will best accomplish the purposes of this section.

(B)(i) If, for any period of any fiscal year, the funds appropriated for payments under this subpart are insufficient to satisfy fully all entitlements, as calculated under subsection (a)(2)(B)(i), the amount paid with respect to each entitlement shall be—

(I) the full amount for any student, whose expected family

contribution is \$200 or less, or

(II) a percentage of that entitlement, as determined in accordance with a schedule of reductions established by the Secretary for this purpose, for any student whose expected family contribution is more than \$200.

(ii) Any schedule established by the Secretary for the purpose of division (i) of this subparagraph shall contain a single linear reduction formula in which the percentage reduction increases uniformly as the entitlement decreases, and shall provide that if an entitlement is reduced to less than \$100, no payment shall be made.

(4)(A) If, at the end of a fiscal year, the funds available for making payments under this subpart exceed the amount necessary to make the payments required under this subpart to eligible students by 15 per centum or less, then all of excess funds shall, remain available for making payments under this subpart during

the next succeeding fiscal year.

(B) If, at the end of a fiscal year, the funds available for making payments under this subpart exceed the amount necessary to make the payments required under this subpart to eligible students by more than 15 per centum, then all of such funds shall remain available for making such payments but payments may be made under this division only with respect to entitlements for that fiscal year.

(5)(A) For any fiscal year ending prior to October 1, 1985, if—

(i) the appropriation for making grants under subpart 2 of this part for that fiscal year does not at least equal \$370,000,000,

(ii) the appropriation for State student incentive grants under subpart 3 of this part for that fiscal year does not at

least equal \$76,750,000,

(iii) the appropriation for work-study payments under section 441 of this title for that fiscal year does not at least equal

\$550,000,000, and

no payment may be made in excess of \$1,800 on the basis of entitlements established under this subpart in excess of such amount.

(B) For any fiscal year ending prior to October 1, 1985, if—

(i) the appropriation for making grants under subpart 2 of this part for that fiscal year does not at least equal \$400,000,000,

(ii) the appropriation for State student incentive grants under subpart 3 of this part for that fiscal year does not at

least equal \$76,750,000,

(iii) the appropriation for work-study payments under section 441 of this title for that fiscal year does not at least equal

\$550,000,000, and

(iv(I) the amount available for Federal capital contributions to student loan funds for that fiscal year from funds appropriated under section 461 does not at least equal \$286,000,000, (II) the sum of the amounts available under both sections 461 and

468 for Federal capital contributions to student loan funds for that fiscal year does not at least equal \$286,000,000, or (III) the amount available under section 468 is not sufficient to provide. Federal capital contributions to such funds for that fiscal year in an amount which equals or exceeds the total amount which was available for student leans during the preceding fiscal year,

no payment may be made in excess of \$1,899 on the basis of entitlements established under this subpart in excess of such amount.

(C) For any fiscal year ending prior to October 1, 1985, if—

(i) the appropriation for making grants under subpart 2 of this part for that fiscal year does not at least equal \$440,000,000,

(ii) the appropriation for State student incentive grants under subpart 3 of this part for that fiscal year does not at least equal \$76,750,000,

(iii) the appropriation for work-study payments under section 441 of this title for that fiscal year does not at least equal

SEC. 413B. (a)(1) From the funds received by it for such purpose under this subpart, an institution which awards a supplemental grant to a student for an academic year under this subpart shall for each year, pay to that student an amount determined pursuant to paragraph (2).

(2)(A) The amount of the payment to any student pursuant to paragraph (1) shall be equal to the amount determined by the institution, in accordance with the provisions of section 482, to be needed by that student to enable him to pursue a course of study at the institution, except that such amount shall not exceed \$2,000.

(B) If the amount determined under division (i) of subparagraph (A) with respect to a student for any academic year is less than \$200, no payment shall be made to that student for that year. For a student enrolled for less than a full academic year, the minimum

payment required shall be reduced proportionately.

(b)(1) The period during which a student may receive supplemental grants shall be the period required for the completion of the first undergraduate baccalaureate course of study being pursued by that student at the institution at which the student is in attend-

(2) A supplemental grant awarded under this subpart shall entitle the student to whom it is awarded to payments pursuant to such grant only if the student meets the requirements of section 484, except as provided in section 413C(c).

SELECTION OF RECIPIENTS; AGREEMENTS WITH INSTITUTIONS

SEC. 413C. (a) An individual shall be eligible for the award of a supplemental grant under this subpart by an institution of higher education which, in accordance with section 487, has an agreement with the Secretary applicable to this subpart, if the individual makes application at a time and in a manner consistent with the requirements of the Secretary and that institution, and meets the requirements of section 484.

(b) From among individuals who are eligible for supplemental grants for each fiscal year, the institution shall, in accordance with the agreement under section 487, and within the amount allocated to the institution for that purpose for that year under section 413D(b), select individuals who are to be awarded such grants and determine, in accordance with section 413B, the amounts to be paid

to them.

(c) An eligible institution may use not more than 10 per centum of its allocation for less-than-half-time undergraduate students who are determined by the institution to be in need of such grants and who meet the requirements of section 484, other than the requirement of clause (2) of section 484(a).

APPORTIONMENT AND ALLOCATION OF FUNDS 1

Sec. 413D. (a)(1)(A) From 90 per centum of the sums appropriated pursuant to section 413A(b)(1) for any fiscal year, the Secretary shall apportion to each State an amount which bears the same ratio to such sums as the number of undergraduates enrolled full time and the full time equivalent of the number of undergraduates enrolled part time in institutions of higher education in such State bears to the total number of such undergraduates in all States. The remainder of the sums so appropriated shall be apportioned among the States by the Secretary in accordance with equitable criteria which he shall establish and which shall be designed to achieve a distribution of the sums so appropriated among the States which will most effectively carry out the purpose of this subpart, except that where any State's apportionment under the first sentence for a fiscal year is less than its allotment under the first sentence of section 401(b) of this Act for the fiscal year ending June 30, 1972, before he makes any other apportionments under this sentence, the Secretary shall apportion sufficient additional sums to such State under this sentence to make the State's apportionment for that

¹ For special provisions concerning academic years beginning with 1983-1984, see the Student Financial Assistance Technical Amendments Act of 1982 printed at the end of title IV of this Act.

year under this paragraph equal to its allotment for the fiscal year ending June 30, 1972, under such first sentence. Sums apportioned to a State under the preceding sentence shall be consolidated with, and become a part of, its apportionment from the same appropria-

tion under the first sentence of this paragraph.

(B) If the Secretary determines that the sums apportioned to any State under subparagraph (A) for any fiscal year exceed the aggregate of the amounts that he determines to be required under subsection (b) for that fiscal year for institutions of higher education in that State, the Secretary shall reapportion such excess, from time to time, on such date or dates as he shall fix, to other States in such manner as the Secretary determines will best assist in achieving purposes of this subpart.

(2) Sums appropriated pursuant to section 413A(b)(2) for any fiscal year shall be apportioned among the States in such manner as the Secretary determines will best achieve the purposes for

which such sums were appropriated.

(b)(1)(A) The Secretary shall, from time to time, set dates before which institutions in any State must file applications for allocation, to such institutions, of supplemental grant funds from the apportionment to that State (including any reapportionment thereto) for any fiscal year pursuant to subsection (a)(1).

(B)(i) From the sums apportioned (or reapportioned) to any State, the Secretary shall allocate amounts to institutions which have

submitted applications pursuant to subparagraph (A).

(ii) Allocations under division (i) by the Secretary to such institutions shall be made in accordance with a formula which determines institutional need for funds under this subpart by subtracting from 75 per centum of total student expenses the sum of expected family or independent student contributions, awards made under subparts 1 and 3 of this part, and 25 per centum of grants and awards made by the institution from its own resources. In addition, the Secretary, in establishing equitable criteria, shall not issue any regulation which has the effect of penalizing institutions that under existing State law must provide scholarships or grant assistance from their own funds and yet are not free under laws in effect on January 1, 1979, either to select the recipients of such assistance or to adjust the criteria by which the recipients are selected. The formula established under this division shall not result in any institution receiving an amount less than—

(I) 100 per centum of the amount such institution received and used under this section for fiscal year 1979 in the case of any fiscal year for which the appropriation for this part is less

than \$400,000,000;

(II) 80 per centum of such amount in the case of any fiscal year for which such appropriation is at least \$400,000,000 but less than \$420,000,000;

(III) 60 per centum of such amount in the case of any fiscal year for which such appropriation is at least \$420,000,000 but less than \$440,000,000;

(IV) 40 per centum of such amount in the case of any fiscal year for which such appropriation is at least \$440,000,000 but less than \$460,000,000; or

(V) 20 per centum of such amount in the case of any fiscal year for which such appropriation is at least \$460,000,000 but

less than \$480,000,000.

(2) The Secretary shall, in accordance with regulations, allocate to such institutions in any State, from funds apportioned or reapportioned pursuant to subsection (a)(2), funds to be used as the supplemental grants specified in section 413A(b)(2). Such allocation shall be made in accordance with the formula prescribed by regulation under division (ii) of paragraph (1)(B) of this subsection.

(3) Each institution receiving allocations under this subsection from apportionments made to the State under subsection (a)(1) and under subsection (a)(2) may use its allocations for initial supplemental grants and for continuing supplemental grants in such manner as the institution determines will best achieve the pur-

poses of this subpart.

(4) Payments shall be made from allocations under this subsection as needed.

Sec. 415B. (a)(1)(A) From the sums appropriated pursuant to section 415A(b)(1) for any fiscal year, the Secretary shall allot to each State an amount which bears the same ratio to such sums as the number of students in attendance at institutions of higher education in such State bears to the total number of such students in such attendance in all the States, except that no State shall receive less than the State received for fiscal year 1979.

(B) For the purposes of this paragraph, the number of students in attendance at institutions of higher education in a State and in all the States shall be determined by the Secretary for the most recent

year for which satisfactory data are available to him.

53

(2) The amount of any State's allotment under paragraph (1) for any fiscal year which the Secretary determines will not be required for such fiscal year for the State student grant incentive program of that State shall be available for reallotment from time to time, on such dates during such year as the Secretary may fix, to other States in proportion to the original allotments to such States under such part for such year, but with such proportionate amount for any of such States being reduced to the extent it exceeds the sum the Secretary estimates such State needs and will be able to use for such year for carrying out the State plan; and the total of such reductions shall be similarly reallotted among the States whose proportionate amounts were not so reduced. Any amount reallotted to a State under this part during a year from funds appropriated pursuant to section 415A(b)(1) shall be deemed part of its allotment under paragraph (1) for such year.

(b) Subject to the provisions of section 415E, sums appropriated pursuant to section 415A(b)(2) for any fiscal year shall be allotted among the States in such manner as the Secretary determines will best achieve the purposes for which such sums were appropriated.

(c) The Secretary shall make payments for continuing incentive grants only to those States which continue to meet the requirements of section 415C(b) (1), (2), (3), and (5).

except that an institution which the Secretary determines, in accordance with regulations jointly prescribed by the Secretary and the Administrator of Veterans' Affairs (hereinafter referred to as the "Administrator"), cannot feasibly itself, in terms of the number of veterans in attendance there, carry out any or all of the programs set forth in subclauses (i) through (v) of clause (C), may carry out such program or programs through a consortium agreement with one or more other institutions of higher education and shall be required to carry out such programs only to the extent that the Secretary determines, in-accordance with regulations

jointly prescribed by the Secretary and the Administrator, is appropriate in terms of the number of veterans in attendance at such institution. STATEMENT OF PURPOSE; NONDISCRIMINATION; AND APPROPRIATIONS AUTHORIZED ,

SEC. 421. (a)(1) The purpose of this part is to enable the Secretary (1) to encourage States and nonprofit private institutions and organizations to establish adequate loan insurance programs for students in eligible institutions (as defined in section 435), (2) to provide a Federal program of student loan insurance for students or lenders who do not have reasonable access to a State or private nonprofit program of student loan insurance covered by an agreement under section 428(b)(3), to pay a portion of the interest on loans to qualified students which are made by a State under a direct loan program meeting the requirements of section 428(a)(1)(B), or which are insured under this part or under a program of a State or of a nonprofit private institution or organization which meets the requirements of section 428(a)(1)(C), and (4) to guarantee a portion of each loan insured under a program of a State or of a nonprofit private institution or organization which meets the requirements of section 428(a)(1)(C).

ADVANCES FOR RESERVE FUNDS OF STATE AND NONPROFIT PRIVATE LOAN INSURANCE PROGRAMS

Sec. 422. (a)(1) From sums appropriated pursuant to clauses (3) and (4)(A) of section 421(b), the Secretary is authorized to make advances to any State with which he has made an agreement pursuant to section 428(b) for the purpose of helping to establish or strengthen the reserve fund of the student loan insurance program covered by that agreement. If for any fiscal year a State does not have a student loan insurance program covered by an agreement made pursuant to section 428(b), and the Secretary determines after consultation with the chief executive officer of that State that there is no reasonable likelihood that the State will-have such a student loan insurance program for such year, the Secretary may make advances for such year for the same purpose to one or more nonprofit private institutions or organizations with which he has made an agreement pursuant to section 428(b) in order to enable students in the State to participate in a program of student loan insurance covered by such an agreement. The Secretary may make advances under this subsection both to a State program (with

which he has such an agreement) and to one or more nonprofit private institutions or organizations (with which he has such an agreement) in that State if he determines that such advances are necessary in order that students in each eligible institution have access through such institution to a student loan insurance pro-

gram which meets the requirements of section 428(b)(1).

(2) No advance shall be made after June 30, 1968, unless matched by an equal amount from non-Federal sources. Such equal amount may include the unencumbered non-Federal portion of a reserve fund. As used in the preceding sentence, the term "unencumbered non-Federal portion" means the amount (determined as of the time immediately preceding the making of the alyance) of the reserve fund less the greater of (A) the sum of (i) advances made under this section prior to July 1, 1968, (ii) an amount appal to twice the amount of advances made under this section after June 30, 1968, and before the advance for purposes of which the determination is made, and (iii) the proceeds of earnings on advances made under this section or (B) any amount which is required to be maintained in such fund pursuant to State law or regulation, or by agreement with lenders, as a reserve against the insurance of outstanding loans.

(3) Advances pursuant to this subsection shall be upon such terms and conditions (including conditions relating to the time or times of payment) consistent with the requirements of section 428(b) as the Secretary determines will best carry out the purposes of this section. Advances made by the Secretary under this subsection shall be repaid within such period as the Secretary may deem to be appropriate in each case in the light of the maturity and sol-

vency of the reserve fund for which the advance was made.

(b)(1) The total of the advances to any State prior to July 1, 1968, pursuant to subsection (a) may not exceed an amount which bears the same ratio to 21/2 per centum of \$700,000,000 as the population of that State aged eighteen to twenty-two, inclusive, bears to the total population of all the States aged eighteen to twenty-two inclusive. The amount available, however, for advances to any State for each fiscal year ending prior to July 1, 1968, shall not be less than \$25,000, and any additional funds needed to meet this requirement shall be derived by proportionately reducing (but not below \$25,000 per year) the amount available for advances to each of the remaining States. Advances to nonprofit private institutions and organizations prior to July 1, 1968, pursuant to subsection (a) may be in such amounts as the Secretary determines will best achieve the purposes for which they are made, except that the sum of (1) advances to such institutions and organizations for the benefit of students in any State plus (2) the amounts advanced to such State, may not exceed the maximum amount which may be advanced to that State pursuant to the first two sentences of this subsection.

(2) The total of the advances from the sums appropriated pursuant to clause (4)(A) of section 421(b) to nonprofit private institutions and organizations for the benefit of students in any State and (B) to such State may not exceed an amount which bears the same ratio to such sums as the population of such State aged eighteen to twenty-two, inclusive, bears to the population of all the States aged eighteen to twenty-two inclusive, but such advances may otherwise be in such amounts as the Secretary determines will best achieve

the purposes for which they are made. The amount available, however, for advances to any State shall not be less than \$25,000 and any additional funds needed to meet this requirement shall be derived by proportionately reducing (but not below \$25,000) the amount available for advances to each of the remaining States.

(3) For the purposes of this subsection, the population aged eighteen to twenty-two, inclusive, of each State and of all the States shall be determined by the Secretary on the basis of the most

recent satisfactory data available to him.

(cx1) From sums appropriated pursuant to section 421(b)(4)(B), the Secretary shall advance to each State which has an agreement with the Secretary under section 428(c) with respect to a student loan insurance program, an amount determined in accordance with paragraph (2) of this subsection to be used for the purpose of making payments under the State's insurance obligations under such program.

(2)(A) Except as provided in subparagraph (B), the amount to be advanced to each such State shall be equal to 10 per centum of the principal amount of loans made by lenders and insured by such agency on those loans on which the first payment of principal became due during the fiscal year immediately preceding the fiscal

year in which the advance is made.

(B) The amount of any advance determined according to subparagraph (A) of this paragraph shall be reduced by (i) the amount of any advance or advances made to such State pursuant to this subsection at an earlier date, and (ii) the amount of the unspent balance of the advances made to a State pursuant to subsection (a). Notwithstanding subparagraph (A) and the preceding sentence of this subparagraph, but subject to subparagraph (D) of this paragraph, the amount of any advance to a State described in paragraph (5)(A) for the first year of its eligibility under such paragraph, and the amount of any advance to any State described in paragraph (5)(B) for each year of its eligibility under such paragraph, shall not be less than \$50,000.

(C) For purposes of subparagraph (B) the unspent balance of the advances made to a State pursuant to subsection (a) shall be that portion of the balance of the State's reserve fund (remaining at the time of the State's first request for an advance pursuant to this subsection) which bears the same ratio to such balance as the Federal advances made and not returned by such State, pursuant to subsection (a), bears to the total of all past contributions to such reserve funds from all sources (other than interest on investment of any portion of the reserve fund) contributed since the date such

State executed an agreement pursuant to section 428(b).

(D) If the sums appropriated for any fiscal year for paying the amounts determined under subparagraphs (A) and (B) are not sufficient to pay such amounts in full, then such amounts shall be reduced -

(i) by ratably reducing that portion of the amount allocated

to each State which exceeds \$50,000; and

(ii) if further reduction is required, by equally reducing the

\$50,000 minimum allocation of each State. If additional sums become available for paying such amounts for any fiscal year during which the preceding sentence has been ap-

plied, such reduced amounts shall be increased on the same basis as they were reduced.

(3) The earnings, if any, on any investments of advances received pursuant to this subsection must be used for making payments

under the State's insurance obligations.

(4)(A) No repayment of any advances made pursuant to this subsection shall be required until such time as the sum of the advances under this subsection exceeds 20 per centum of the State's outstanding insurance obligation determined in accordance with

subparagraph (B) of this paragraph.

(B) For purposes of this paragraph, a State's outstanding insurance obligation shall be determined by subtracting from the total principal amount of loans insured by the State since it entered into an agreement pursuant to section 428(b), the total principal amount of loans insured by such State which have been fully repaid by the borrower, the State itself, or the Secretary, and loans which have been canceled.

(C) At such time as advances pursuant to this subsection reach the level indicated in subparagraph (A) of this paragraph, the amount of any excess shall be paid over to the Secretary in a lump sum at the beginning of each fiscal year for deposit in the fund es-

tablished by section 431.

(5) Advances pursuant to this subsection shall be made to a State—

(A) in the case of a State which is actively carrying on a program under an agreement pursuant to section 428(b) which was entered into before the date of enactment of this subsection, upon such date as such State may request, but not before October 1, 1977, and on the same day of each of the two successful and a such State may request but not before october 1, 1977, and on the same day of each of the two successful and a such state which is actively carrying on a program which is actively carrying on a program under the same day of each of the same day of each of the two successful and the same day of each of the same day

ceeding calendar years after the date so requested; and

(B) in the case of a State which enters into an agreement pursuant to section 428(b) on or after the date of enactment of this subsection or which is not actively carrying on a program under an agreement pursuant to such section on such date, upon such date as such State may request, but not before October 1, 1977, and on the same day of each of the four succeeding calendar years after the date so requested of the advance.

(6)(A) If for any fiscal year a State does not have a student loan insurance program covered by an agreement made pursuant to section 428(b), and the Secretary determines after consultation with the chief executive officer of that State that there is no reasonable likelihood that the State will have such a student loan insurance program for such year, the Secretary may make advances pursuant to this subsection for such year for the same purpose to one or more nonprofit private institutions or organizations with which he has made an agreement pursuant to subsection (c), as well as subsection (b), of section 428 and subparagraph (B) of this paragraph in order to enable students in that State to participate in a program of student loan insurance covered by such agreements.

(B) The Secretary may enter into an agreement with private nonprofit institution or organization for purposes of this paragraph

under which such institution or organization-

(i) agrees to establish within such State at least one office with sufficient staff to handle written and telephone inquiries from students, eligible lenders, and other persons in the State,

75

to encourage maximum commercial lender participation within the State, and to conduct periodic visits to at least the major eligible lenders within the State,

(ii) agrees that its insurance will not be denied any student because of his choice of eligible institutions or the student's

lack of need, and

(iii) certifies that it is neither an eligible institution, nor has any substantial affiliation with an eligible institution.

EFFECTS OF ADEQUATE NON-FEDERAL PROGRAMS

SEC. 423. (a) Except as provided in subsections (b) and (c), the Secretary shall not issue certificates of insurance under section 429 to lenders in a State if he determines that every eligible institution has reasonable access in that State to a State or private nonprofit student loan insurance program which is covered by an agreement under section 428(b).

(b) The Secretary may issue certificates of insurance under sec-

tion 425 a lender in a State—

(1) for insurance of a loan made to a student borrower who does not, by reason of his residence, have access to loan insurance under the loan insurance program of such State (or under any private nonprofit loan insurance program which has received an advance under section 422 for the benefit of students in such State).

(2) for insurance of all the loans made to student borrowers by a lender who satisfies the Secretary that, by reason of the residence of such borrowers, such lender will not have access to any single State or nonprofit private loan insurance program which will insure substantially all of the loans such

lender intends to make to such student borrowers, or

(3) under such circumstances as may be approved by the State or nonprofit private institution or organization in such State with which the Secretary has an agreement under section 428(b), for the insurance of a loan to a borrower for whom such lender previously was issued such a certificate if the loan

covered by such certificate is not yet repaid.

(c) The Secretary shall not deny, because of any provision of this section, a certificate of insurance under section 429 to any eligible lender which is an eligible institution if such lender has previously executed an agreement with the Secretary pursuant to section 433 of this part, unless the Secretary determines, based upon studies and surveys satisfactory to him, that access to a loan by all eligible students who make an active and diligent effort to obtain a loan under this part will be otherwise available. In order to carry out the provisions of the preceding sentence the Secretary shall periodically assess the availability of loans to eligible students through studies and surveys undertaken by him and through review of properly conducted studies and surveys made available to him.

Such administrative cost allowance shall be paid over the term of the loan in an amount per annum (determined by the Secretary) which shall not exceed 1 per centum of the unpaid principal balance of the loan.

(4) Each holder of a loan with respect to which payments of interest are required to be made by the Secretary shall submit to the Secretary, at such time or times and in such manner as he may prescribe, statements containing such information as may be required by or pursuant to regulation for the purpose of enabling the Secretary to determine the amount of the payment which he must make with respect to that loan.

CERTIFICATE OF FEDERAL LOAN INSURANCE—EFFECTIVE DATE OF INSURANCE

SEC. 429. (a)(1) If, upon application by an eligible lender, made upon such form, containing such information, and supported by such evidence as the Secretary may require, and therwise in conformity with this section, the Secretary finds that the applicant has made a loan to an eligible student which is insurable under the provisions of this part, he may issue to the applicant a certificate of insurance covering the loan and setting forth the amount and

terms of the insurance.

(2) Insurance evidenced by a certificate of insurance pursuant to subsection (a)(1) shall become effective upon the date of issuance of the certificate, except that the Secretary is authorized, in accordance with regulations, to issue commitments with respect to proposed loans, or with respect to lines (or proposed lines) of credit, submitted by eligible lenders, and in that event, upon compliance with subsection (a)(1) by the lender, the certificate of insurance may be issued effective as of the date when any loan, or any payment by the lender pursuant to a line of credit, to be covered by such insurance was made. Such insurance shall cease to be effective upon sixty days' default by the lender in the payment of any installment of the premiums payable pursuant to subsection (c).

(3) An application submitted pursuant to subsection (a)(1) shall contain (A) an agreement by the applicant to pay, in accordance with regulations, the premiums fixed by the Secretary pursuant to subsection (c), and (B) an agreement by the applicant that if the loan is covered by insurance the applicant will submit such supplementary reports and statement during the effective period of the loan agreement, upon such forms, at such times, and containing such information as the Secretary may prescribe by or pursuant to

regulation.

(b)(1) In lieu of requiring a separate insurance application and issuing a separate certificate of insurance for each student loan made by an eligible lender as provided in subsection (a), the Secretary may, in accordance with regulations consistent with section 424, issue to any eligible lender applying therefor a certificate of comprehensive insurance coverage which shall, without further action by the Secretary, insure all insurable loans made by that lender, on or after the date of the certificate and before a specified cutoff date, within the limits of an aggregate maximum amount stated in the certificate. Such regulations may provide for conditioning such insurance, with respect to any loan, upon compliance by the lender with such requirements (to be stated or incorporated by reference in the certificate) as in the Secretary's judgment will best achieve the purpose of this subsection while protecting the financial interest of the United States and promoting the objectives of this part, including (but not limited to) provisions as to the reporting of such loans and information relevant thereto to the Secretary and as to the payment of initial and other premiums and the effect of default therein, and including provision for confirmation by the Secretary from time to time (through endorsement of the certificate) of the coverage of specific new loans by such certificate, which confirmation shall be incontestable by the Secretary in the absence of fraud or misrepresentation of fact or patent error.

(2) If the holder of a certificate of comprehensive insurance coverage issued under this subsection grants to a student a line of credit extending beyond the cutoff date specified in that certificate, loans or payments thereon made by the holder after that date pursuant to the line of credit shall not be deemed to be included in the coverage of that certificate except as may be specifically provided therein; but, subject to the limitations of section 424, the Secretary may, in accordance with regulations, make commitments to insure such future loans or payments, and such commitments may be honored either as provided in subsection (a) or by inclusion of such insurance on comprehensive coverage under the subsection for the period or periods in which such future loans or payments are

(c) The Secretary shall, pursuant to regulations, charge for insurance on each loan under this part a premium in an amount not to exceed one-fourth of 1 per centum per year of the unpaid principal amount of such loan (excluding interest added to principal), payable in advance, at such times and in such manner as may be prescribed by the Secretary. Such regulations may provide that such premium shall not be payable, or if paid shall be refundable, with respect to any period after default in the payment of principal or interest or after the borrower has died or becomes totally and permanently disabled, if (1) notice of such default or other event has been duly given, and (2) requests for payment of the loss insured against has been made or the Secretary has made such payment on his own motion pursuant to section 430(a).

(d) The rights of an eligible lender arising under insurance evidenced by a certificate of insurance issued to it under this section may be assigned as security by such lender only to another eligible

lender, and subject to regulation by the Secretary.

(e) The consolidation of the obligations of two or more federally insured loans obtained by a student borrower in any fiscal year into a single obligation evidenced by a single instrument of indebtedness shall not affect the insurance by the United States. If the loans thus consolidated are covered by separate certificates of insurance issued under subsection (a), the Secretary may upon surrender of the original certificates issue a new certificate of insurance in accordance with that subsection upon the consolidated obligation; if they are covered by a single comprehensive certificate issued under subsection (b), the Secretary may amend that certificate accordingly.

Sec. 430. (a) Upon default by the student borrower on any loan covered by Federal loan insurance pursuant to this part, and prior to the commencement of suit or other enforcement proceedings upon security for that loan, the insurance beneficiary shall promptly notify the Secretary, and the Secretary shall if requested (at that time or after further collection efforts) by the beneficiary, or may on his own motion, if the insurance is still in effect, pay to the beneficiary the amount of the loss sustained by the insured upon that

loan as soon as that amount had been determined. The "amount of the loss" on any loan shall, for the purposes of this subsection and subsection (b), be deemed to be an amount equal to the unpaid balance of the principal amount and accrued interest, including interest accruing from the date is submission of a valid default claim (as determined by the Secretary) to the date on which payment is authorized by the Secretary, reduced to the extent required by section 425(b). Such beneficiary shall be required to meet the standards of due diligence in the collection of the loan. The Secretary shall make the determination required to carry out the provisions of this section not later than ninety days after the notification by the insurance beneficiary and shall make payment in full on the amount of the beneficiary's loss pending completion of his due diligence investigation.

(b)(1) Upon payment of the amount of the loss pursuant to subsection (a), the United States shall be subrogated for all of the rights of the holder of the obligation upon the insured loan and shall be entitled to an assignment of the note or other evidence of the insured loan by the insurance beneficiary. If the net recovery made by the Secretary on a loan after deduction of the cost of that recovery (including reasonable administrative costs) exceeds the amount of the loss, the excess shall be paid over to the insured. The Secretary may, in attempting to make recovery on such loans. contract with private business concerns, State student loan insurance agencies, or State guaranty agencies, for payment for services rendered by such concerns or agencies in assisting the Secretary in making such recovery. Any contract under this subsection entered into by the Secretary shall provide that attempts to make recovery on such loans shall be fair and reasonable, and do not involve harassment, intimidation, false or misleading representations, or unnecessary communications concerning the existence of any such loan to persons other than the student borrower.

(2)(A) For the purpose of promoting responsible repayment of loans covered by Federal loan insurance pursuant to this part, the Secretary shall enter into cooperative agreements with credit bureau organizations providing for the exchange of information concerning student borrowers in accordance with the requirements of this paragraph. For the purpose of assisting such organizations to comply with the Fair Credit Reporting Act, such agreements may provide for timely response by the Secretary to requests from such organizations for responses to objections raised by borrowers. Subject to the requirements of subparagraph (C), such agreements shall provide for the disclosure by the Secretary to such organizations with respect to any loan for which the Secretary has received

a notice of default under subsection (a) of this section of-

(i) the date of disbursement and the amount of any such loan:

(ii) information concerning collection of any such loan, including information concerning the status of any defaulted loan on which the Secretary has made a payment pursuant to subsection (a) of this section; and

(iii) the date of cancellation of the note upon completion of repayment by the borrower of any such loan or payment by the Secretary pursuant to section 437.

107

(B) Such agreements may also provide for the disclosure by such organizations to the Secretary, upon receipt from the Secretary of a notice under subparagraph (AXii) that such a loan is in default, of information concerning the borrower's location or other information which may assist the Secretary in proceeding to collection of the defaulted amount.

(C) Agreements entered into pursuant to this paragraph shall contain such provisions as may be necessary to ensure that—

(i) no information is disclosed by the Secretary unless its accuracy and completeness have been verified, and no information stating that a loan is in default is disclosed until the Sec-

retary has made a reasonable effort to collect the debt;

(ii) as to any information so disclosed, such organizations will be promptly notified of, and will promptly record, any change submitted by the Secretary with respect to such information, or any objections by the borrower with respect to any such information, as required by section 611 of the Fair Credit Reporting Act (15 U.S.C. 1681i);

(iii) no use will be made of any such information which would result in the use of collection practices with respect to such a borrower that are not fair and reasonable or that involve harassment, intimidation, false or misleading representations, or unnecessary communication concerning the existence

of such loan or concerning any such information; and

(iv) except for disclosures made to obtain the borrower's location, the Secretary (I) shall not disclose any such information until he has notified the borrower that such information will be disclosed to credit bureau organizations unless the borrower enters into repayment of his loan, but (II) shall, if the borrower has not entered into repayment within a reasonable period of time, but not less than thirty days, from the date such notice has been sent to the borrower, disclose the information required by this subsection.

(D(i) The Secretary shall, within ninety days after the date of enactment of this paragraph, take such steps as may be necessary to establish the disclosure of information described in subparagraph (A) (i), (ii), and (iii) as a routine use in accordance with section 552a(b)(3) of title 5, United States Code, and to establish a system for the prompt notification of any borrower of any disclosure made

pursuant to this paragraph.

(ii) Information disclosed by the Secretary to credit bureau organizations under the requirements of this paragraph shall not constitute a system of records within the meaning of section 552a of title 5, United States Code (the Privacy Act of 1974); and credit bureau organizations which enter into agreements with the Secretary under this paragraph shall not be considered Government con-

tractors within the meaning of that Act.

(c) Nothing in this section or in this part shall be construed to preclude any forbearance for the benefit of the student borrower which may be agreed upon by the parties to the insured loan and approved by the Secretary, or to preclude forbearance by the Secretary in the enforcement of the insured obligation after payment on that insurance. Any forbearance which is approved by the Secretary under this subsection with respect to the repayment of a loan shall not be considered as indicating that a holder of a federally

gence in the collection of the loan.

(d) Nothing in this section or in this part shall be construed to excuse the holder of a federally insured loan from exercising reasonable care and diligence in the making and collection of loans under the provisions of this part. If the Secretary, after a reasonable notice and opportunity for hearing to an eligible lender, finds that it has substantially failed to exercise such care and diligence or to make the reports and statements required under section 428(a)(4) and section 429(a)(3), or to pay the required Federal loan insurance premiums, he shall disqualify that lender for further Federal insurance on loans granted pursuant to this part until he is satisfied that its failure has ceased and finds that there is reasonable assurance that the lender will in the future exercise necessary care and diligence or comply with such requirements, as the case may be.

SEC. 437. (a) If a student borrower who has received a loan described in clause (A), (B), or (C) of section 428(a)(1) dies or becomes permanently and totally disabled (as determined in accordance with regulations of the Secretary), then the Secretary shall discharge the borrower's liability on the loan by repaying the amount owed on the loan.

(b) If a student borrower who has received a loan described in clause (A), (B), or (C) of section 428(a)(1) is relieved of his obligation to repay such loan, in whole or in part, through a discharge in bankruptcy, the Secretary shall repay the amount of the loan so discharged.

SPECIAL ALLOWANCES

Sec. 438. (a) In order to assure (1) that the limitation on interest payments or other conditions (or both) on loans made or insured under this part, do not impede or threaten to impede the carrying out of the purposes of this part or do not cause the return to holders of loans to be less than equitable, (2) that incentive payments on such loans are paid promptly to eligible lenders, and (3) that appropriate consideration of relative administrative costs and money market conditions is made in setting the quarterly rate of such payments, the Congress finds it necessary to establish an improved method for the determination of the quarterly rate of the special allowances on such loans, and to provide for a thorough, expedi-

tious and objective examination of alternative methods for the de-

termination of the quarterly rate of such allowances.

(b)(1) A special allowance shall be paid for each of the three-month periods ending March 31, June 30, September 30, and December 31 of every year and the amount of such allowance paid to any holder with respect to any three-month period shall be a percentage of the average unpaid balance of principal (not including unearned interest added to principal) of all eligible loans held by such holder during such period.

(2)(A) Subject to subparagraph (B) and paragraph (4), the special allowance paid pursuant to this subsection on loans shall be computed (i) by determining the average of the bond equivalent rates of ninety-one-day Treasury bills auctioned for such three month period, (ii) by subtracting the applicable interest rate on such loans from such average, (iii) by adding 3.5 per centum to the resultant per centum, and (iv) by dividing the resultant per centum by four.

(B)(i) The quarterly rate of the special allowance for holders of loans which were made or purchased with funds obtained by the holder from the issuance of obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1954 shall be one-half the quarterly rate of the special allowance established under subparagraph (A). Such rate shall also apply to holders of loans which were made or purchased with funds obtained by the holder from collections or default reimbursements on, or interests or other income pertaining to, eligible loans made or purchased with funds described in the preceding sentence of this subparagraph or from income on the investment of such funds. This subparagraph shall not apply to loans which were made or insured prior to October 1, 1980.

(ii) The rate set under division (i) shall not be less than (I) 2.5 per centum per annum in the case of loans for which the applicable interest rate is 7 per centum per annum, (II) 1.5 per centum per annum in the case of loans for which the applicable interest rate is 8 per centum per annum, or (II) 0.5 per centum in the case of loans

for which the applicable rate is 9 per centum per annum.

(iii) No special allowance may be paid under this subparagraph unless the issuer of such obligations complies with subsection (d) of this section.

(3) The holder of an eligible loan shall be deemed to have a contractual right against the United States, during the life of such loan, to receive the special allowance according to the provisions of this section. Subject to paragraph (4) the special allowance determined for any such three-month period shall be payable at such time, after the close of such period, as may be specified by or pursuant to regulations promulgated under this section.

(4)(A) If payments of the special allowances payable under this section or of interest payments under section 428(a) with respect to a loan have not been made within thirty days after the Secretary has received an accurate, timely, and complete request for payment thereof, the special allowance payable to such holder shall be increased by an amount equal to the daily interest accruing on the special allowance and interest benefits payments due the holder.

(B) Such daily interest shall be computed at the daily equivalent rate of the sum of the special allowance rate computed pursuant to paragraph (2) and the interest rate applicable to the loan and shall

be paid for the later of (i) the thirty-first day after the receipt of such request for payment from the holder, or (ii) the thirty-first day after the final day of the period or periods covered by such request, and shall be paid for each succeeding day until, and including, the date on which the Secretary authorizes payment.

(C) For purposes of reporting to the Congress the amounts of special allowances paid under this section, amounts of special allowances paid pursuant to this paragraph shall be segregated and re-

ported separately.

(5) As used in this section, the term "eligible loan" means a loan—

(A)(i) on which a portion of the interest is paid on behalf of the student and for his account to the holder of the loan under section 428(a);

(ii) which is made under section 428B or 439(o); or

(iii) which was made prior to October 1, 1981; and

(B) which is insured under this part, or made under a program covered by an agreement under section 428(b) of this Act. (6) The Secretary shall pay the holder of an eligible loan, at such time or times as are specified in regulations, a special allowance prescribed pursuant to this subsection subject to the condition that such holder shall submit to the Secretary, at such time or times and in such a manner as he may deem proper, such information as

may be required by regulation for the purpose of enabling the Secretary to carry out his functions under this section and to carry out

the purposes of this section.

(c)(1) Notwithstanding subsection (b), the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b) of this section, respectively, to any holder shall be reduced by the Secretary by the amount which the lender is authorized to charge as an origination fee in accordance with paragraph (2) of this subsection. If the total amount of interest and special allowance payable under section 428(a)(3)(A) and subsection (b) of this section, respectively, is less than the amount the lender was authorized to charge borrowers for origination fees in that quarter, the Secretary shall deduct the excess amount from the subsequent quarters' payments until the total amount has been deducted.

(2) With respect to any loan (other than loans made under section 428B and section 439(0)) for which a completed note or other written evidence of the loan was sent or delivered to the borrower for signing on or after 10 days after the date of enactment of the Postsecondary Student Assistance Amendments of 1981, each eligible lender under this part is authorized to charge the borrower an origination fee in an amount not to exceed 5 per centum of the principal amount of the loan, which may be deducted from the pro-

ceeds of the loan prior to payment to the borrower.

(3) Such origination fee shall not be taken into account for pur-

poses of determining compliance with section 427A.

(4) The lender shall disclose to the borrower the amount and method of calculating the origination fee. For any loan for which the lender is authorized to charge an origination fee and which is made prior to August 1, 1982—

(A) this disclosure need not meet the requirements of the Truth in Lending Act (15 U.S.C. 1601 et seq.) or the disclosure

requirements of any State law;

(B) for purposes of such Act, a lender may disclose either in the note or other written evidence of the loan or in a supplementary letter (which need not be signed by the borrower);

(C) for purposes of such Act, the origination fee shall not be taken into account in calculating and disclosing the annual

percentage rate; and

(D) a lender or an assignee shall not incur civil liability under section 130 of such Act nor be subject to any administrative enforcement action pursuant to section 108 of such Act for

disclosures in connection with such loans.

(d)(1) In order for the holders of loans which were made or purchased with funds obtained by the holder from an Authority issuing obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1954, to be eligible to receive a special allowance under subsection (b)(2) of this section, the Authority shall submit to the Secretary a plan for doing business. The Secretary shall approve or disapprove such plan within thirty days after the date of its submission. Each such plan shall contain provisions designed to assure that—

(A) no eligible lender in the area served by the Authority will be excluded from participation in the program of the Authority and all eligible lenders may participate in the program on the same terms and conditions if eligible lenders are going

to participate in the program;

(B) no director or staff member of the Authority who receives compensation from the Authority may own stock in, or receive compensation from, any agency that would contract to

service and collect the loans of the Authority;

(C) student loans will not be purchased from participating lenders at a premium or discount amounting to more than 1 per centum of the unpaid principal amount borrowed plus accrued interest to the date of acquisition, but a reasonable loan transfer fee may be paid by the purchaser;

(D) the Authority will, within the limit of funds available and subject to the applicable State and Federal law, make loans to, or purchase loans incurred by, all eligible students who are residents of, or who attend an eligible institution

within, the area served by the Authority;

(E) the Authority has a plan under which the Authority will pursue the development of new lender participation in a continuing program of benefits to students together with assurances of existing lender commitments to the program;

(F) there will be an annual audit of the Authority by a certified public accounting firm which will include review of compliance by the Authority with the provisions of the plan; and

(G) the Authority will not issue obligations for amounts in excess of the reasonable needs for student loan credit within the area served by the Authority, after taking into account existing account a student loan credit in that area

isting sources of student loan credit in that area.

(2) In order for the holders of loans which were made or purchased with funds obtained by the holder from an Authority issuing obligations, the income from which is exempt from taxation under the Internal Revenue Code of 1954, to be eligible to receive a special allowance under subsection (b)(2) of this section on any such loans, the Authority shall not engage in any pattern or practice

which results in a denial of a borrower's access to loans under this part because of the borrower's race, sex, color, religion, national origin, age, handicapped status, income, attendance at a particular eligible institution within, the area served by the Authority, length of the borrower's educational program, or the borrower's academic year in school.

(e) The Secretary shall adopt or amend appropriate regulations pertaining to programs carried on under this part to prevent, where practicable, any practices which he finds have denied loans

to a substantial number of eligible students.

STUDENT LOAN MARKETING ASSOCIATION

Sec. 439. (a) The Congress hereby declares that it is the purpose of this section (1) to establish a private corporation which will be financed by private capital and which will serve as a secondary market and warehousing facility for student loans, including loans which are insured by the Secretary under this part or by a State or nonprofit private institution or organization with which the Secretary has an agreement under section 428(b), and which will provide liquidity for student loan investments; (2) in order to facilitate secured transactions involving student loans, to provide for perfection of security interests in student loans either through the taking of possession or by notice filing; and (3) to assure nationwide the establishment of adequate loan insurance programs for students, to provide for an additional program of loan insurance to be covered by agreements with the Secretary.

(b)(1) There is hereby created a body corporate to be known as the Student Loan Marketing Association (hereinafter referred to as the "Association"). The Association shall have succession until dissolved. It shall maintain its principal office in the District of Columbia and shall be deemed, for purposes of venue and jurisdiction in civil actions, to be a resident and citizen thereof. Offices may be established by the Association in such other place or places as it may deem necessary or appropriate for the conduct of its business.

(2) The Association, including its franchise, capital, reserves, sur-

(2) The Association, including its franchise, capital, reserves, surplus, mortgages, or other security holdings, and income shall be exempt from all taxation now or hereafter imposed by any State, territory, possession, Commonwealth, or dependency of the United States, or by the District of Columbia, or by any county, municipality, or local taxing authority, except that any real property of the Association shall be subject to State, territorial county, municipal, or local taxation to the same extent according to its value as other real property is taxed.

(3) There is hereby authorized to be appropriated to the Secretary \$5,000,000 for making advances for the purpose of helping to establish the Association. Such advances shall be repaid within such period as the Secretary may deem to be appropriate in light of the maturity and solvency of the Association. Such advances shall bear interest at a rate not less than (A) a rate determined by

the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining period to maturity comparable to the maturity of such advances, adjusted to the nearest one-eighth of 1 per centum, plus (B) an allowance adéquate in the judgment of the Secretary to cover administrative costs and probable losses. Repayments of such advances shall be deposited into miscellaneous receipts of the Treasury.

(c)(1) The Association shall have a Board of Directors which shall consist of twenty-one persons, one of whom shall be designated

Chairman by the President.

(2) An interim Board of Directors shall be appointed by the President, one of whom he shall designate an interim Chairman. The interim Board shall consist of twenty-one members, seven of whom shall be representative of banks or other financial institutions which are insured lenders pursuant to this section, seven of whom shall be representative of educational institutions, and seven of whom shall be representative of the general public. The interim Board shall arrange for an initial offering of common and preferred stocks and take whatever other actions are necessary to proceed with the operations of the Association.

(3) When, in the judgment of the President, sufficient common stock of the Association has been purchased by educational institutions and banks or other financial institutions, the holders of common stock which are educational institutions shall elect seven members of the Board of Directors and the holders of common stock which are banks or other financial institutions shall elect seven members of the Board of Directors. The President shall appoint the remaining seven directors, who shall be representative of

the general public.

(4) At the time the events described in paragraph (3) have occurred, the interim Board shall turn over the affairs of the Associa-

tion to the regular Board so chosen or appointed.

(5) The directors appointed by the President shall serve at the pleasure of the President and until their successors have been appointed and have qualified. The remaining directors shall each be elected for a term ending on the date of the next annual meeting of the common stockholders of the Association, and shall serve until their successors have been elected and have qualified. Any appointive seat on the Board which becomes vacant shall be filled by appointment of the President. Any elective seat on the Board which becomes vacant after the annual election of the directors shall be filled by the Board, but only for the unexpired portion of the term.

(6) The Board of Directors shall meet at the call of its Chairman, but at least semiannually. The Board shall determine the general policies which shall govern the operations of the Association. The Chairman of the Board shall, with the approval of the Board, select, appoint, and compensate qualified persons to fill the offices as may be provided for in the bylaws, with such executive functions, powers, and duties as may be prescribed by the bylaws or by the Board of Directors, and such persons shall be the executive officers of the Association and shall discharge all such executive functions, powers, and duties.

(d)(1) The Association is authorized, subject to the provisions of

this section—

(A) pursuant to commitments or otherwise to make advances on the security of, purchase, or repurchase, service, sell or resell, offer participations, or pooled interests or otherwise deal in, at prices and on terms and conditions determined by the Association, student loans which are insured by the Secretary under this part or by a State or nonprofit private institution or organization with which the Secretary has an agreement under section 428(b);

(B) to buy, sell, hold, underwrite, and otherwise deal in obligations, if such obligations are issued, for the purpose of making or purchasing insured loans, by a State or nonprofit private institution or organization which has an agreement with the Secretary under section 428(b) or by an eligible lender

in a State described in section 435(g)(1)(D) or (F);

(C) to undertake a program of loan insurance pursuant to agreements with the Secretary under sections 428 and 428(A), and except with respect to loans under section 439(o), the Secretary may enter into an agreement with the Association for such purpose only if the Secretary determines that (i) eligible borrowers are seeking and unable to obtain loans under this part, and (ii) no State or nonprofit private institution or organization having an agreement with the Secretary for a program of loan insurance under this part is capable of or willing to provide a program of loan insurance for such borrowers; and

(D) to undertake any other activity which the Board of Directors of the Association determines to be in furtherance of the programs of insured student loans authorized under this part

or will otherwise support the credit needs of students.

The Association is further authorized to undertake any activity with regard to student loans which are not insured or guaranteed as provided for in this subsection as it may undertake with regard to insured or guaranteed student loans. Any warehousing advance made on the security of such loans shall be subject to the provisions of paragraph (3) of this subsection to the same extent as a

warehousing advance made on the security of insured loans.

(2) Any warehousing advance made under paragraph (1) of this subsection shall be made on the security of (A) insured loans, (B) marketable obligations and securities issued, guaranteed or insured by, the United States, or for which the full faith and credit of the United States is pledged for the repayment of principal and interest thereof, or (C) marketable obligations issued, guaranteed, or insured by any agency, instrumentality or corporation of the United States for which the credit of such agency, instrumentality or corporation is pledged for the repayment of principal and interest thereof, in an amount equal to the amount of such advance. The proceeds of any such advance secured by insured loans shall either be invested in additional insured loans or the lender shall provide assurances to the Association that during the period of the borrowing it will maintain a level of insured loans in its portfolio not less than the aggregate outstanding balance of such loans held at the time of the borrowing. The proceeds from any such advance secured by collateral described in clauses (B) and (C) shall be invested in additional insured student loans.

(3) Notwithstanding the provisions of any State law to the contrary, including the Uniform Commercial Code as in effect in any

State, a security interest in insured student loans created on behalf of the Association or any eligible lender as defined in section 435(a). may be perfected either through the taking of possession of such loans or by the filing of notice of such security interest in such loans in the manner provided by said State law for perfection of

security interests in accounts.

(4) Securities issued pursuant to the offering of participations or pooled interests under paragraph (1) of this subsection may be in the form of debt obligations, or trust certificates of beneficial ownership, or both. Student loans set aside pursuant to the offering of participations or pooled interests shall at all times be adequate to ensure the timely principal and interest payments on such securities.

(e) The Association, pursuant to such criteria as the Board of Directors may prescribe, shall make advances on security or purchase student loans pursuant to subsection (d) only after the Association is assured that the lender (A) does not discriminate by pattern or practice against any particular class or category of students by requiring that, as a condition to the receipt of a loan, the student or his family maintain a business relationship with the lender, except that this clause shall not apply in the case of a loan made by a credit union, savings and loan association, mutual savings bank, institution of higher education, or any other lender with less than \$75,000,000 in deposits, and (B) does not discriminate on the basis of race, sex, color, creed, or national origin.

(f)(1) The Association shall have common stock having such par value as may be fixed by its Board of Directors from time to time which may be issued only to lenders under this part, pertaining to guaranteed student loans, who are qualified as insured lenders under this part or who are eligible institutions, as defined in section 435(a), other than an institution outside of the United States.

(2) Each share of common stock shall be entitled to one vote with rights of cumulative voting at all elections of Directors. Voting

shalf be by classes as described in subsection (c)(3).

(3) The maximum number of shares of common stock that the Association may issue and have outstanding at any one time shall be fixed by the Board of Directors from time to time. Any common share issued shall be fully transferable, except that, as to the Association, it shall be transferred only on the books of the Association.

(4) To the extent that net income is earned and realized, subject to subsection (g)(2), dividends may be declared on common stock and nonvoting common stock by the Board of Directors. Such dividends as may be declared by the Board shall be paid to the holders of outstanding shares of common stock and nonvoting common stock, except that no such dividends shall be payable with respect to any share which has been called for redemption past the effective date of such call.

(5) The Association is authorized to issue nonvoting common stock having such par value as may be fixed by its Board of Directors from time to time. Any nonvoting common stock shall be freely transferable, except that, as to the Association, it shall be

transferable only on the books of the Association.

(g)(1) The Association is authorized to issue nonvoting preferred stock having such par value as may be fixed by its Board of Directors from time to time. Any preferred share issued shall be freely

transferable, except that, as to the Association, it shall be trans-

ferred only on the books of the Association.

(2) The holders of the preferred shares shall be entitled to such rate of cumulative dividends and such shares shall be subject to such redemption or other conversion provisions as may be provided for at the time of issuance. No dividends shall be payable on any share of common stock at any time when any dividend is due on any share of preferred stock and has not been pairs.

(3) In the event of any liquidation, dissolution, or winding up of the Association's business, the holders of the preferred shares shall be paid in full at par value thereof, plus all accrued dividends, before the holders of the common shares receive any payment.

(h)(1) The Association is authorized with the approval of the Secretary of Education and the Secretary of the Treasury to issue and have outstanding obligations having such maturities and bearing such rate or rates of interest as may be determined by the Association. The authority of the Secretary of Education to approve the issuance of such obligations is limited to obligations issued by the Association and guaranteed by the Secretary pursuant to paragraph (2) of this subsection. Such obligations may be redeemable at the option of the Association before maturity in such manner as may be stipulated therein. The Secretary of the Treasury may not direct as a condition of his approval that any such issuance of obligations by the Association be made or sold to the Federal Financing Bank.

(2) The Secretary is authorized, prior to October 1, 1984, to guarantee payment when due of principal and interest on obligations issued by the Association in an aggregate amount determined by the Secretary in consultation with the Secretary of the Treasury. Nothing in this section shall be construed so as to authorize the Secretary of Education or the Secretary of the Treasury to limit, control, or constrain programs of the Association or support of the

Guaranteed Student Loan Program by the Association.

(3) To enable the Secretary to discharge his responsibilities under guarantees issued by him, he is authorized to issue to the Secretary of the Treasury notes or other obligations in such forms and denominations, bearing such maturities, and subject to such terms and conditions, as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the months preceding the issuance of the notes or other obligations. The Secretary of the Treasury is authorized and directed to purchase any notes and other obligations issued hereunder and for that purpose he is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, and the purposes for which securities may be issued under that Act, as amended, are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States. There is author-

ized to be appropriated to the Secretary such sums as may be necessary to pay the principal and interest on the notes or obligations

issued by him to the Secretary of the Treasury.

(4) Upon receipt of a request from the Association under this subsection requiring approvals by the Secretary of Education or the Secretary of the Treasury, the Secretary of Education or the Secretary of the Treasury shall act promptly either to grant approval or to advise the Association of the reasons for withholding approval. In no case shall such an approval be withheld for a period longer than sixty days unless, prior to the end of such period, the Secretary of Education and the Secretary of the Treasury submit to the

Congress a detailed explanation of reasons for doing so.

- (5) The Secretary of the Treasury is authorized to purchase any obligations issued by the Association pursuant to this subsection as now or hereafter in force, and for such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds of the sale of any securities hereafter issued under the Second Liberty Bond Act, as now or hereafter in force, and the purposes for which securities may be issued under the Second Liberty Bond Act, as now or hereafter in force are extended to include such purchases. The Secretary of the Treasury shall not at any time purchase any obligations under this subsection if such purchase would increase the aggregate principal amount of his then outstanding holdings of such obligations under this subsection to an amount greater than \$1,000,000,000. Each purchase of obligations by the Secretary of the Treasury under this subsection shall be upon such terms and conditions as to yield a return at a rate determined by the Secretary of the Treasury, taking into consideration the current average rate on outstanding marketable obligations of the United States of comparable maturities as of the last day of the month preceding the making of such purchase. The Secretary of the Treasury may, at any time, sell, upon such terms and conditions and at such price or prices as he shall determine, any of the obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such obligations under this subsection shall be treated as public debt transactions of the United States.
- (6) Notwithstanding any other provision of law the Association is authorized to sell or issue obligations on the security of student loans, the payment of interest or principal of which has at any time been guaranteed under section 428 or 429 of this part, to the Federal Financing Bank.

(i) The Association shall have power—

(1) to sue and be sued, complain and defend, in its corporate name and through its own counsel;

(2) to adopt, alter, and use the corporate seal, which shall be

judicially noticed;

- (3) to adopt, amend, and repeal by its Board of Directors, bylaws, rules, and regulations as may be necessary for the conduct of its business:
- (4) to conduct its business, carry on its operations, and have officers and exercise the power granted by this section in any State without regard to any qualification or similar statute in any State;

(5) to lease, purchase, or otherwise acquire, own, hold, improve, use, or otherwise deal in and with any property, real, personal, or mixed, or any interest therein, wherever situated;

(6) to accept gifts or donations of services, or of property, real, personal, or mixed, tangible or intangible, in aid of any of the purposes of the Association;

(7) to sell, convey, mortgage, pledge, lease, exchange, and otherwise dispose of its property and assets;

(8) to appoint such officers, attorneys, employees, and agents as may be required, to determine their qualifications, to define their duties, to fix their salaries, require bonds for them and fix the penalty thereof; and

(9) to enter into contracts, to execute instruments, to incur liabilities, and do all things as are necessary or incidental to the proper management of its affairs and the proper conduct of

its business.

(j) The accounts of the Association shall be audited annually: Such audits shall be conducted in accordance with generally accepted auditing standards by independent certified public accountants or by independent licensed public accountants, licensed on or before December 31, 1970, who are certified or licensed by a regulatory authority of a State or other political subdivision of the United States, except that independent public accountants licensed to practice by such regulatory authority after December 31, 1970, and persons who, although not so certified or licensed, meet, in the opinion of the Secretary, standards of education and experience representative of the highest standards prescribed by the licensing authorities of the several States which provide for the continuing licensing of public accountants and which are prescribed by the Secretary in appropriate regulations may perform such audits until 🛝 December 31, 1975. A report of each such audit shall be furnished to the Secretary of the Treasury. The audit shall be conducted at the place or places where the accounts are normally kept. The representatives of the Secretary shall have access to all books, accounts, financial records, reports, files, and all other papers, things, or property belonging to or in use by the Association and necessary to facilitate the audit, and they shall be afforded full facilities for verifying transactions with the balances or securities held by depositaries, fiscal agents, and custodians.

(k) A report of each such audit for a fiscal year shall be made by the Secretary of the Treasury to the President and to the Congress not later than six months following the close of such fiscal year. The report shall set forth the scope of the audit and shall include a statement (showing intercorporate relations) of assets and liabilities, capital and surplus or deficit; a statement of surplus or deficit analysis; a statement of income and expense; a statement of sources and application of funds; and such comments and information as may be deenfed necessary to keep the President and the Congress informed of the operations and financial condition of the Association, together with such recommendations with respect thereto as the Secretary may deem advisable, including a report of any impairment of capital or lack of sufficient capital noted in the audit. A copy of each report shall be furnished to the Secretary,

and to the Association.

(1) All obligations issued by the Association including those made under subsection (d)(4) shall be lawful investments, and may be accepted as security for all fiduciary, trust, and public funds, the investment or deposit of which shall be under authority or control of the United States or of any officer or officers thereof. All stock and obligations issued by the Association pursuant to this section shall be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission, to the same extent as securities which are direct obligations of, or obligations guaranteed as to principal or interest by, the United States. The Association shall, for the purposes of section 14(b)(2) of the Federal Reserve Act, be deemed to be an agency of the United States. The obligations of the Association shall be deemed to be obligations of the United States for purposes of section 3701 of the Revised Statutes (31 U.S.C. 742). For the purpose of the distribution of its property pursuant to section 726 of title 11, United States Code, the Association shall be deemed a person within the meaning of such title. The priority established in favor of the United States by section 3466 of the Revised Statutes (31 U.S.C. 191) shall not establish a priority over the indebtedness of the Association issued or incurred on or before September 30, 1988.

(m) In order to furnish obligations for delivery by the Association, the Secretary of the Treasury is authorized to prepare such obligations in such form as the Board of Directors may approve, such obligations when prepared to be held in the Treasury subject to delivery upon order by the Association. The engraved plates, dies, bed pieces, and so forth, executed in connection therewith shall remain in the custody of the Secretary of the Treasury. The Association shall reimburse the Secretary of the Treasury for any expenditures made in the preparation, custody, and delivery of

report of its operations and activities during each year.

(o)(1)(A) The Association or its designated agent may, upon request of a borrower who has received loans under this title from two or more programs or lenders, or has received any other federally insured or guaranteed student loan, and where the borrower's aggregate outstanding indebtedness is in excess of \$5,000, or where the borrower's aggregate outstanding indebtedness is in excess of \$7,500 from a single lender under this part, make, notwithstanding any other provision of this part limiting the maximum insured principal amount for all insured loans made to a borrower, a new loan to the borrower in an amount equal to the unpaid principal and accrued unpaid interest on the old loans. The proceeds of the new loan shall be used to discharge the liability on such old loans.

(B) The Association in making loans pursuant to this subsection in any State served by a State agency or nonprofit private institution or organization with which the Secretary has an agreement under section 428(b) or an eligible lender in a State described in section 435(g)(1) (D) or (F) may designate as its agent such agency, institution, organization, or lender to perform such functions as the Association determines appropriate. Any agreements made pursuant to this subparagraph shall be on such terms and conditions as

agreed upon by the Association and such agency, institution, organization and landar

nization, or lender.

(2) Loans made pursuant to this subsection shall be insurable either by the Secretary under section 429 with a certificate of comprehensive insurance coverage provided for under section 429(b)(1) or by a State or nonprofit private institution or organization with which the Secretary has an agreement under section 428(b), except that such State or nonprofit private institution or organization shall provide the Association with a certificate of comprehensive insurance coverage. The terms of loans made under this subsection shall be such as may be agreed upon by the borrower and the Association and meet the requirements of section 427, except that (A) the ten-year maximum period referred to in section 427(a)(2)(B) may be extended to no more than twenty years, and (B) clause (ii) of section 427(a)(2)(B) shall not be applicable.

(3)(A) Notwithstanding any other provision of this part, the Association, with the agreement of the borrower, may establish such repayment terms as it determines will promote the objectives of this subsection including, but not limited to, the establishment of grad-

uated, income sensitive repayment schedules.

(B) For any borrower who has received two or more loans under this part bearing interest at the rate of 9 per centum per annum on the unpaid principal balance of the loan and who requests a new loan under this subsection for the purpose of consolidation on a date after the date on which the Secretary has made a determination under section 427A(b), the rate of interest on such new loan shall not exceed 8 per centum per annum on the unpaid principal balance of such new loan.

(4) The Association shall develop a program to ensure the dissemination of information to students, lenders, and institutions of higher education regarding the loans authorized by this subsection.

(5) The authority of the Association to make loans under this sec-

tion shall terminate on November 1, 1983.

(p)(1) The Association shall make advances in each fiscal year from amounts available to it to each State agency, nonprofit institution or organization, and eligible lender described in subsection 428(h)(1) which has an agreement with the Association which sets forth that advances are necessary to enable such agency, institution, organization or lender to make student loans in accordance with section 428(h) of this title and that such advances will be repaid to the Association in accordance with such terms and conditions as may be set forth in the agreement and agreed to by the Association and such agency, institution, organization, or lender. Advances made under this subsection shall not be subject to section 439(d)(2) of this Act.

(2) No advance may be made under this subsection unless the State agency or nonprofit private institution, organization, or lender makes an application to the Association, which shall be accompanied by such information as the Association determines to be

reasonably necessary.

(q(1)(A)) Whenever the Secretary determines that eligible borrowers in a State not served by a State agency or nonprofit private institution or organization having an agreement pursuant to section 428(b), or an eligible lender in a State described in section 435(g)(1) (D) or (F) are seeking and are unable to obtain loans under this

part, the Association or its designated agent may begin making loans in accordance with this subsection at the request of the Secretary. The Association shall give preference to such States in making loans under this subsection.

(B) Loans made pursuant to this subsection shall be insurable by the Secretary under section 429 with a certificate of comprehensive

insurance coverage provided for under section 429(b)(1).

(2)(A) Whenever the Secretary, after consultation with, and with the agreement of, representatives of the agency in a State or non-profit private institution or organization having an agreement pursuant to section 428(b), or an eligible lender in a State described in section 435(g)(1)(D), determines that a substantial portion of eligible borrowers in such State or within an area of such State are seeking and are unable to obtain loans under this part, the Association or its designated agent may begin making loans in accordance with this subsection at the request of the Secretary.

(B) Loans made pursuant to this subsection shall be insurable by the agency identified in subparagraph (A) having an agreement pursuant to section 428(b). For loans insured by such agency, the agency shall provide the Association with a certificate of comprehensive insurance coverage, if the Association and the agency have mutually agreed upon a means to determine that the agency has not already guaranteed a loan under this part to a student which would cause a subsequent loan made by the Association to be in

violation of any provision under this part.

(3) The Association or its designated agent shall cease making loans under this part in any State at such time as it is determined by the Secretary, with regard to loans made under paragraph (1), or by any party to the agreement required by paragraph (2), that—

(A) the conditions which caused the implementation of this

subsection have ceased to exist: or

(B) the implementation of this subsection has either (i) further reduced the availability of loans from other sources in the applicable geographical area, or (ii) inhibited the formation in a State of an agency which would have an agreement pursuant to section 428(b) of this part which would have the responsibility of developing local sources of funds for student loans.

ALLOTMENTS TO STATES

SEC. 442. (a) From the sums appropriated to carry out this part for a fiscal year, the Secretary shall (1) allot not to exceed 1 per centum among Guam, American Samoa, the Trust Territory of the Pacific Islands, and the Virgin Islands according to their respective needs for assistance under this part, and (2) reserve the amount provided by subsection (f). Ninety per centum of the remainder of such sums shall be allotted among the States as provided in subsection (b).

(b) Of the sums being allotted under this subsection

(1) one-third shall be allotted by the Secretary among the States so that the allotment to each State under this clause will be an amount which bears the same ratio to such one-third as the number of persons enrolled on a full-time basis in institutions of higher education in such State bears to the total number of persons enrolled on a full-time basis in institutions of higher education in all the States.

(2) one-third shall be allotted by the Secretary among the States so that the allotment to each State under this clause will be an amount which bears the same ratio to such one-third as the number of high school graduates (as defined in section 103(d)(3) of the Higher Education Facilities Act of 1963) of such State bears to the total number of such high school grad-

uates of all the States, and

(3) one-third shall be allotted by him among the States so that the allotment to each State under this clause will be an amount which bears the same ratio to such one-third as the number of related children under eighteen years of age living in families with annual incomes of less than \$3,000 in such State bears to the number of related children under eighteen years of age living in families with annual incomes of less than \$3,000 in all the States.

¹ For special provisions concerning academic years beginning with 1983-1984, see the Student Financial Assistance Technical Amendments Act of 1982 printed at the end of title IV of this Act.

(c) Sums remaining after making the allotments provided for in other provisions of this section shall be allotted among the States by the Secretary in accordance with equitable criteria established by him which shall be designed to achieve a distribution of the sums appropriated to carry out this part among the States which will most effectively carry out the purpose of this part, except that where a State's allotment under subsection (b) for a fiscal year is less than its allotment under that subsection for the fiscal year ending June 30, 1972, before he makes any other allotments under this subsection, the Secretary shall allot sufficient additional sums to such State under this sentence to make the State's allotment for that year under subsection (b) equal to its allotment under such subsection for the fiscal year ending June 30, 1972. Sums allotted to a State under this subsection shall be consolidated with, and become a part of, its allotment from the same appropriation under subsection (b).

(d)(1) The amount of any State's allotment which has not been granted to an eligible institution under section 443 at the end of the fiscal year for which appropriated shall be reallotted by the Secretary in such manner as he determines will best assist in achieving the purposes of this Act, except that the Secretary shall give preference for the first 50 per centum of such reallotments to eligible institutions for use for initiating, improving, and expanding programs of cooperative education conducted in accordance with title VIII of this Act. Amounts reallotted under this subsection shall be available for making grants under section 443 until the close of the second fiscal year next succeeding the fiscal year for

which appropriated.

(2) The requirement for preference under reallotment contained in the exception of the first sentence of paragraph (1) of this subsection shall be made upon application by the eligible institution to the Secretary in such manner and such form as the Secretary may require. The Secretary shall allot funds under such preference based upon the ratio of the number of students assisted under the cooperative education program authorized by title VIII for the fiscal year for which the determination is made enrolled in the eligible institution making application under this paragraph to the number of such students for such year enrolled in all eligible institutions applying under this part.

(e) For purposes of this section, the term "State" does not include Guam, American Samoa, the Trust Territory of the Pacific Islands,

and the Virgin Islands.

(f) From the appropriation for this part for each fiscal year the Secretary shall reserve an amount to provide work-study assistance to students who reside in, but who attend eligible institutions outside of, American Samoa or the Trust Territory of the Pacific Islands. The amount so reserved shall be allotted to eligible institutions and shall be available only for the purpose of providing work-study assistance to such students.

SEC. 446. (a) The Secretary shall establish criteria designed to achieve such distribution of assistance under this part among institutions of higher education within a State as will most effectively carry out the purposes of this Act. The criteria established under this subsection shall not result in any institution's receiving an amount less than the institution used under this section for fiscal year 1979, unless there is a substantial decline in the student enrollment of the institution.

(b) Of the sums granted to an eligible institution under this part for any fiscal year, 10 per centum may, at the discretion of the institution, remain available for expenditure during the succeeding fiscal year to carry out programs under this part. (6) provide satisfactory assurance that Federal funds used for the purposes of this section can realistically be expected to help generate student wages exceeding in the aggregate the amount of such funds and that if such funds are used to contract with another organization, appropriate performance standards are part of such contract; and

(7) provide that the institution will submit to the Secretary an annual report on the uses made of funds provided under this section and an evaluation of the effectiveness of such pro-

gram in benefiting the students of such institution.

The remainder of the sums so appropriated shall be apportioned among the States by the Secretary in accordance with equitable criteria which he shall establish and which shall be designed to achieve a distribution of the sums so appropriated among the States which will most effectively carry out the purpose of this part, except that where any State's apportionment under the first sentence for a fiscal year is less than its allotment under section 202(a) of the National Defense Education Act of 1958 for the fiscal year ending June 30, 1972, before he makes any other apportionments under this sentence, the Secretary shall apportion sufficient additional sums to such State under this sentence to make the State's apportionment for that year under this paragraph equal to its allotment for the fiscal year ending June 30, 1972, under such section 202(a). Sums apportioned to a State under the preceding sentence shall be consolidated with, and become a part of, its apportionment from the same appropriation under the first sentence of this paragraph.

(2) Any sums appropriated pursuant to section 461(b)(2) for any fiscal year shall be apportioned among institutions of higher education in such a manner as the Secretary determines will best accom-

(2) The Secretary shall pay to each applicant under this subsection which has an agreement with him under section 463, from the amount apportioned to the State in which it is located, the amount requested in such application. Such payment may be made in such installments as the Secretary determines will not result in unnecessary accumulations of capital in the student loan fund of the applicant established under its agreements under section 463.

(c)(1)(A) If the total amount of Federal capital contributions requested in the applications from a State for any fiscal year exceeds the amount apportioned to that State, the request from each insti-

(B) In case additional amounts become available for payments to student loan funds in a State in which requests have been ratably reduced under subparagraph (A), such requests shall be increased on the same basis as they were reduced, except that no request shall be increased above the request submitted under subsection (b)(1).

ALTERNATIVE SOURCE OF FUNDS

SEC. 468. (a)(1) The Secretary shall, not later than April 1 of each fiscal year, issue and have outstanding at any one time notes, de-

bentures, bonds, or other obligations in such amounts as shall be necessary to carry out functions under this part, subject to such annual limitations as may be provided in an appropriation Act with respect to such fiscal year, except that the Secretary shall not issue any such obligation without the prior concurrence of the Secretary of the Treasury as to the terms and conditions of such obligations. The Secretary of the Treasury may direct that any such issuance by the Secretary be sold to the Department of the Treas-

ury for its own account or to the Federal Financing Bank.

(2) The Secretary of the Treasury is authorized and directed to purchase any obligations issued under this section, and for that purpose, the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities hereafter issued under the Second Liberty Bond Act, and the purposes for which securities may be issued under the Second Liberty Bond Act are extended to include such purchases. Each purchase of obligations by the Secretary of the Treasury under this section shall be upon such terms and conditions as to yield a return at a rate not less than a rate determined by the Secretary of the Treasury, taking into consideration the current average yield on outstanding marketable obligations of the United States of comparable maturity. Interest due on obligations of the Secretary held by the Treasury may be deferred, at the discretion of the Secretary but any such deferred interest shall bear interest at the rate specified in this section. The Secretary of the Treasury may sell, upon such terms and conditions and at such price or prices as he shall determine, any of the obligations acquired by him under this section. All redemptions, purchases, and sales by the Secretary of the Treasury of such obligations under this section shall be treated as public debt transactions of the United States.

(3) All obligations of the Secretary issued under this section shall be fully and unconditionally guaranteed as to principal and interest and shall constitute general obligations of the United States, backed by the full faith and credit of the Government of the United States of America. Such guarantee shall be expressed on

the face of all such obligations.

(4) Obligations of the Secretary issued pursuant to this section shall be lawful investments, and may be accepted as security for all fiduciary, trust, and public funds the investment or deposit of which shall be under the authority or control of the United States or any officer or officers thereof. All stock and obligations issued by the Secretary pursuant to this section shall be deemed to be exempt securities within the meaning of laws administered by the Securities and Exchange Commission, to the same extent as securities which are direct obligations of, or obligations guaranteed as to principal or interest by, the United States.

(5) In order that the Secretary may be supplied with such forms of notes, debentures, bonds, or other such obligations as it may need for issuance under this section, the Secretary of the Treasury is authorized to prepare such forms, as shall be suitable and approved by the Secretary, to be held in the Treasury subject to delivery, upon order of the Secretary. The engraved plates, dies, bed pieces, and so forth, executed in connection therewith shall remain in the custody of the Secretary of the Treasury. The Secretary shall reimburse the Secretary of the Treasury for any expenses in-

curred in the preparation, custody, and delivery of such notes, debentures, bonds, or other obligations.

(6) All moneys of the Secretary not otherwise employed may be-

(A) deposited with the Treasury of the United States subject to withdrawal by the Secretary, by check drawn on the Treasury of the United States by a Treasury disbursing officer, or (B) with the approval of the Secretary of the Treasury, de-

posited in any Federal Reserve bank, or

(C) with the approval of the Secretary of the Treasury, and by authorization of the Secretary, used in the purchase for redemption and retirement of any notes; debentures, bonds, or

other obligations issued by the Secretary.

(b)(1) The Secretary shall make payments under this section for any fiscal year to each institution of higher education having an agreement under section 463 on the basis of the estimated needs of that institution for making student loans taking into consideration—

(A) the cost of attendance at that institution,

(B) the financial need of students at that institution to meet the cost of attendance as determined under section 482, and

(C) the financial assistance received by students at that institution under parts A and C of this title, or any other provision of Federal law (other than part B), and other scholarship, grant, work, and loan assistance received by students,

subject to the limitations specified in section 464(a)(2). No application under subsection (c) shall be approved which requests an amount greater than the amount determined under this subsection

to-be needed by that institution.

(2) If the total amount of Federal capital contributions requested in applications under subsection (c) exceeds the amount available under this section for a fiscal year, the request from each institution shall be ratably reduced, except that no reduction may be made under this sentence to an amount which, together with funds available to the institution of higher education under section 463(a)(2) (A) and (B) for that fiscal year, is less than the amount which was used by that institution for making loans under this part during fiscal year 1980. In case additional amounts become available for such contributions in any fiscal year in which requests have been so reduced, such requests shall be increased on the same basis as they were reduced, except that no such request shall be increased above the amount requested in the application.

(c) Any institution of higher education desiring to receive payments of Federal capital contributions from the apportionment under subsection (b) shall submit an application therefor to the

Secretary at such time as the Secretary prescribes.

(d) There are authorized to be appropriated such sums as may be necessary to pay the differential between the rate of return on obligations of the Secretary made under this section and the interest collected on student loans made under this part.

(e) In carrying out the provisions of this part, the Secretary is

authorized—

(1) to consent to modification, with respect to rate of interest, time of payment of any installment of principal and interest or any portion thereof, or any other provision of any note evidencing a loan which has been made under this part;

(2) to enforce, pay, compromise, waive, or release any right, title, claim, lien, or demand, however acquired, including any equity or any right of redemption;

SEC. 469. If, by April 1 of any fiscal year, the Secretary has made available for deposit in student loan funds pursuant to section 463(a)(2)(C) an amount which equals or exceeds \$1,000,000,000 to be available for loans for such fiscal year, there shall be collected from each student loan fund established under this part the cur-

rent balance of such student loan fund as follows:

(1) The Secretary shall first be paid an amount which bears the same ratio to the balance in such fund (excluding any portion of such balance which was deposited pursuant to section 463(a)(2)(C)) as the total amount of Federal capital contributions to such fund by the Secretary from funds appropriated under section 461 or under title II of the National Defense Education Act of 1958 bears to the sum of such Federal capital contributions and the institution's capital contribution to such fund. Such amounts shall be deposited in the Treasury of the United States.

(2) The remainder of such balance, excluding any portion of such balance which was deposited pursuant to section 463(a)(2)(C), shall be paid to the institution.

Such new schedule shall take into consideration such recommendations as may be made in either House in connection with such resolution. If within fifteen days following the submission of the revised schedule, either the Senate or the House of Representatives again adopts a resolution of disapproval, in whole or in part, of such revised schedule, the Secretary shall publish a new schedule of expected family contributions in the Federal Register not later than fifteen days after the adoption of such resolution of disapproval. This procedure shall be repeated until neither the Senate nor the House of Representatives adopts a resolution of disapproval. The Secretary shall publish together with each new schedule a statement identifying the recommendations made in either House in connection with such resolution of disapproval and explaining his reasons for the new schedule.

(3) The Secretary, in cooperation with representatives of agencies and organizations involved in student financial assistance, shall develop a proposed schedule of expected family contributions each

Such special regulations shall be consistent with the basic criteria set forth in paragraph (2) of subsection (b). In addition, such regulations shall—

(B) for students without dependents residing in institutionally owned or operated housing, shall be a standard allowance determined by the institution based on the amount normally assessed most of its residents for room and board:

(C) for all other students without dependents, shall be a standard allowance determined by the institution based on the expenses reasonably incurred by such students for

room and board; and

(D) for students with dependents, shall be an allowance based on the expenses reasonably incurred by such stu-

dents for room and board;

(4) for a student engaged in a program of study by correspondence, only tuition and fees and, if required, books and supplies, and travel and room and board costs incurred specifically in fulfilling a required period of residential training;

(2) distributing and processing such form on a year-round

basis free of charge to students, and

the United States shall be entitled to recover from such applicant (or successor) an amount which bears to the value of the facility at that time (or so much thereof as constituted an approved project or projects) the same ratio as the amount of Federal grant bore to the cost of the facility financed with the aid of such grant. The value shall be determined by agreement of the parties or by action brought in the United States district court for the district in which such facility is situated.

(c) Notwithstanding the provisions of subsections (a) and (b), no project assisted with funds under this title shall ever be used for religious worship or a sectarian activity or for a school or department of divinity.

GRANT ADJUSTMENTS

SEC. 111. (a)(1) If the sums appropriated for any fiscal year pursuant to section 110(a)(2) for grants under section 107 are not sufficient to pay in full the total amount which approved applicants are eligible to receive under such section for such fiscal year—

(A) the Secretary shall first allocate to each such applicant which received funds under section 107 for the preceding fiscal year an amount equal to 95 per centum of the product of

(i) the per capita payment for the preceding fiscal year;

and

(ii) such applicant's Indian student count for the current

fiscal year;

(B) the Secretary shall next allocate to applicants who did not receive funds under such section for the preceding fiscal year an amount equal to 100 per centum of the product of—

(i) the per capita payment for the preceding fiscal year;

and

(ii) the applicant's Indian student count for the current

fiscal year;

in the order in which such applicants have qualified for assistance in accordance with such section so that no amount shall be allocated to a later qualified applicant until each earlier qualified applicant is allocated an amount equal to such product; and

(C) if additional funds remain after making the allocations required by subparagraphs (A) and (B), the Secretary shall allo-

cate such funds by-

(i) ratably increasing the amounts of the grants determined under subparagraph (A) until such grants are equal to 100 per centum of the product described in such subparagraph; and

(ii) then ratably increasing the amounts of both (I) the grants determined under subparagraph (A), as increased under clause (i) of this subparagraph, and (II) the grants

determined under subparagraph (B).

(2) For purposes of paragraph (1) of this subsection, the term "per capita payment" for any fiscal year shall be determined by dividing the amount available for grants to tribally controlled community

colleges under section 107 for such fiscal year by the sum of the Indian student counts of such colleges for such fiscal year. The Secretary shall, on the basis of the most satisfactory data available, compute the Indian student count for any fiscal year for which such count was not used for the purpose of making allocations under this title.

(b)(1) If the sums appropriated for any fiscal year for grants under section 107 are not sufficient to pay in full the total amount of the grants determined pursuant to subsection (a)(1)(A), the amount which applicants described in such subsection are eligible to receive under section 107 for such fiscal year shall be ratably reduced.

(2) If any additional funds become available for making payments under section 107 for any fiscal year to which subsection (a) or paragraph (1) of this subsection applies, such additional amounts shall be allocated by first increasing grants reduced under paragraph (1) of this subsection on the same basis as they were reduced and by then allocating the remainder in accordance with subsection (a). Sums appropriated in excess of the amount necessary to pay in full the total amounts for which applicants are eligible under section 107 shall be allocated by ratably increasing such total amounts.

(3) References in this subsection and subsection (a) to section 107 shall, with respect to fiscal year 1983, be deemed to refer to section

106 as in effect at the beginning of such fiscal year.

(c) In any fiscal year in which the amounts for which grant recipients are eligible to receive have been reduced under the first sentence of subsection (a) of this section, and in which additional funds have not been made available to pay in full the total of such amounts under the second sentence of such subsection, each grant-ee shall report to the Secretary any unused portion of received funds ninety days prior to the grant expiration date. The amounts so reported by any grant recipient shall be made available for allocation to eligible grantees on a basis proportionate to the amount which is unfunded as a result of the ratable reduction, but no grant recipient shall receive, as a result of such reallocation, more than the amount provided for under section 107(a) of this title.

(25 U.S.C. 1811) Enacted October 17, 1978; P.L. 95-471, title I, sec. 110, 92 Stat. 1328; amended December 1, 1983, P.L. 98-192, sec. 4(a)(1), 4(b)(3), 10, 97 Stat. 1336, 1338.

Sec. \$12. (a) The Administrator of General Services shall provide for the conduct of a study of facilities available for use by tribally controlled community colleges. Such study shall consider the condition of currently existing Bureau of Indian Affairs facilities which are vacant or underutilized and shall consider available alternatives for renovation, alteration, repair, and reconstruction facilities (including renovation, alteration, repair, and reconstruction necessary to bring such facilities into compliance with local, building codes). Such study shall also identify the need for new construction. A report on the results of such study shall be submitted to the Congress not later than eighteen months after the date of

enactment of this subsection. Such report shall also include an identification of property-

(1) on which structurally sound buildings suitable for use as

educational facilities are located, and

(2) which is available for use by tribally controlled community colleges under section 202(a)(2) of the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 483(a)(2)) and under the Act of August 6, 1956 (70 Stat. 1057; 25 U.S.C. 443a).

(b) The Administrator of General Services, in consultation with the Bureau of Indian Affairs, shall initiate a program to conduct necessary renovations, alterations, repairs, and reconstruction iden-

tified pursuant to subsection (a) of this section.

(c) For the purposes of this section, the term "reconstruction" has the meaning provided in the first sentence of subparagraph (B) of section 742(2) of the Higher Education Act of 1965 (20 U.S.C. 1132e-1(2)(B)).

(25 U.S.C. 1812) Enacted October 17, 1978, P.L. 95-471, title I, sec. 111, 92 Stat. 1328; amended December 1, 1983, P.L. 98-192, sec. 4(a)(1), 11, 97 Stat. 1336, 1339.

CONSTRUCTION OF NEW FACILITIES

SEC. 113. (a) With respect to any tribally controlled community college for which the report of the Administrator of General Services under section 112(a) of this Act identifies a need for new construction, the Secretary shall, subject to appropriations and on the basis of an application submitted in accordance with such requirements as the Secretary may prescribe by regulation, provide grants for such construction in accordance with this section.

(b) In order to be eligible for a grant under this section, a tribally

controlled community college-

(1) must be a current recipient of grants under section 105 or

107, and

(2) must be accredited by a nationally recognized accrediting agency listed by the Secretary of Education pursuant to the last sentence of section 1201(a) of the Higher Education Act of 1965 (20 U.S.C. 1141(a)), except that such requirement may be waived if the Secretary determines that there is a reasonable expectation that such college will be fully accredited within eighteen months. In any case where such a waiver is granted, grants under this section shall be available only for planning and development of proposals for construction.

(c)(1) Except as provided in paragraph (2), grants for construction under this section shall not exceed 80 per centum of the cost of such construction, except that no tribally controlled community college shall be required to expend more than \$400,000 in fulfillment of the remaining 20 per centum. For the purpose of providing its required portion of the cost of such construction, a tribally controlled community college may use funds provided under the Act of November 2, 1921 (25 U.S.C. 13), popularly referred to as the

Snyder Act.

(2) The Secretary may waive, in whole or in part, the requirements of paragraph (1) in the case of any tribally controlled community college which demonstrates that neither such college nor the tribal government with which it is affiliated have sufficient resources to comply with such requirements. The Secretary shall

base a decision on whether to grant such a waiver solely on the basis of the following factors: (A) tribal population; (B) potential student population; (C) the rate of unemployment among tribal members; (D) tribal financial resources; and (E) other factors alleged by the college to have a bearing on the availability of resources for compliance with the requirements of paragraph (1) and which may include the educational attainment of tribal members.

(d) If, within twenty years after completion of construction of a facility which has been constructed in whole or in part with a

grant made available under this section—

(1) the facility ceases to be used by the applicant in a public or nonprofit capacity as an academic facility, unless the Secretary determines that there is good cause for releasing the institution from this obligation, and

(2) the tribe with which the applicant is affiliated fails to use the facility for a public purpose approved by the tribal government in futherance of the general welfare of the community

served by the tribal government,

title to the facility shall vest in the United States and the applicant (or such tribe if such tribe is the successor in title to the facility) shall be entitled to recover from the United States an amount which bears the same ratio to the present value of the facility as the amount of the applicant's contribution (excluding any funds provided under the Act of November 2, 1921 (25 U.S.C. 13)) bore to the original cost of the facility. Such value shall be determined by agreement of the parties or by action brought in the United States district court for the district in which such facility is located.

(e) No construction assisted with funds under this section shall be used for religious worship or a sectarian activity or for a school

or department of divinity.

(f) For the purposes of this section—

(1) the term "construction" includes reconstruction or renovation (as such terms are defined in the first sentence of subparagraph (B) of section 742(2) of the Higher Education Act of 1965 (20 U.S.C. 1132e-1(2)(B)); and

(2) the term "academic facilities" has the meaning provided such term under section 742(1) of the Higher Education Act of

1965 (20 U.S.C. 1132e-1(1)).

(25 U.S.C. 1813) Enacted October 17, 1978, P.L. 95-471, title I, sec. 112, 92 Stat. 1329; amended December 1, 1983, P.L. 98-192, sec. 4(a)(1), 12, 97 Stat. 1336, 1340.

PART III—MUSEUMS, ARTS AND HUMANITIES, NATIONAL SCIENCE FOUNDATION

National Foundation on the Arts and the Humanities Act of 1965

(P.L. 89-209)

AN ACT To provide for the establishment of the National Foundation on the Arts and the Humanities to promote progress and scholarship in the humanities and the arts in the United States, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

TITLE I—ENDOWMENTS FOR ARTS AND HUMANITIES

SHORT TITLE

SECTION 1. This title may be cited as the "National Foundation on the Arts and the Humanities Act of 1965".

(20 U.S.C. 951, note) Enacted Sept. 29, 1965, P.L. 89-202, sec. 1, 79 Stat. 845; amended May 31, 1984, P.L. 98-306, sec. 2, 98 Stat. 223.

DECLARATION OF PURPOSE

SEC. 2. The Congress hereby finds and declares—

(1) that the encouragement and support of national progress and scholarship in the humanities and the arts, while primarily a matter for private and local initiative, is also an appropri-

ate matter of concern to the Federal Government:

(2) that a high civilization must not limit its efforts to science and technology alone but must give full value and support to the other great branches of man's scholarly and cultural activity in order to achieve a better understanding of the past, a better analysis of the present, and a better view of the future;

(3) that democracy demands wisdom and vision in its citizens and that it must therefore foster and support a form of education designed to make men masters of their technology and not its unthinking servant;

(4) that it is necessary and appropriate for the Federal Government to complement, assist, and add to programs for the advancement of the humanities and the arts by local, State, re-

gional, and private agencies and their organizations;

(5) that the practice of art and the study of the humanities requires constant dedication and devotion and that, while no government can call a great artist or scholar into existence, it is necessary and appropriate for the Federal Government to help create and sustain not only a climate encouraging freedom of thought, imagination, and inquiry but also the material conditions facilitating the release of this creative talent;

(259)

(6) that the museums are vital to the preservation of our cultural heritage and should be supported in their role as curator

of our national consciousness;

(7) that the world leadership which has come to the United States cannot rest solely upon superior power, wealth, and technology, but must be solidly founded upon worldwide respect and admiration for the Nation's high qualities as a leader in the realm of ideas and of the spirit; and

(8) that, in order to implement these findings, it is desirable to establish a National Foundation on the Arts and the Hu-

manities.
